

# The SCANDINAVIAN-AMERICAN BANK

— OF TACOMA —

Will open for business in its new offices at the corner of Pacific Avenue and Eleventh Street on

## MONDAY, MARCH 27th

This picture of the new office speaks for itself and the entire equipment is in keeping with the fixtures installed

View of New Banking Room of Scandinavian-American Bank

**FOUR** Vaults, electrically lighted and well ventilated, together with one of the largest Manganese Steel Safes in the west, indicate the provision for safety and convenience which have been provided. The management hopes that the new banking office and a continuation of the Bank's policy of courtesy and attention to the needs of its customers will insure a continued growth of the institution.

The public is invited to inspect the Bank's new quarters and visit its offices
