

# We Are Positively Quitting Business

but owing to the fact that manufacturers refused to cancel orders on goods placed early in the season, we were compelled to accept numerous lines of men's and women's Fall and Winter wearing apparel. This fact makes it compulsory for us to continue this sale indefinitely or until the whole stock is disposed of, and are therefore offering to the Tacoma public up-to-date merchandise at ridiculously low prices. We are not considering cost or value, our sole object is to dispose of this stock in the quickest possible time.

No sale in Tacoma can compare with this. Choice styles and high qualities at unheard of prices at the beginning of the season. Be one of the wise ones. Come in and investigate and you will be assured of our sincerity.
