NOTICE!

To the people of Tacoma and vicinity, let it be known that several well-known people of this city have formed a corporation for the purpose of financing what will be known as **THE OUTLET**, the object of which will be the buying and selling of all kinds of High Grade Stocks, such as Bankrupt Stocks and others that can be purchased at the right figures. We propose to make this store the trading place of the masses, and can assure you that we will purchase nothing but dependable merchandise, thereby insuring you against inferior goods. Whereas our capital is large we will continually have stocks to offer at prices far below their wholesale values, and always remember, we will carry nothing but honest merchandise. To inaugurate this enterprise we will place on sale commencing
