

# MADERO AND SUAREZ WIN

(By United Press Leased Wire.) MEXICO CITY, Oct. 16.—Congratulations on his election to the presidency of Mexico today are pouring in on Francisco I. Madero. Only the inauguration ceremonies remain before he is president in fact.

There still is some doubt as to the vote of the electoral college as to the vice president of Mexico, but it is generally believed that Pino Suarez, Madero's candidate, is certain of the place.

Diaz received only one vote for president in the electoral college.

## "Denver Ed" Is Arrested

Charged with gambling, "Denver Ed" Martin, a heavyweight pugilist, who once fought Jack Johnson, the present champion, was arrested last night, along with Louis Hyatt, Ed Towner and Roy Richmond, all colored, by Detectives Milone and Geary. The men were "shooting craps" in a Jefferson avenue hotel.

## The Theatres Famous Singers Here Tonight

Tacoma concert and music lovers will be given a rare treat at the Tacoma theater tonight when Emilio de Gogorza and Mme. Emma Eames appear in a joint recital. This is the first of the artist's course arranged for the season by Bernice E. Newell and the production tonight is unusually pretentious. The only reason two such famous people appear in one night is that they were only recently married. Either would be a fine attraction alone.

## TACOMA

"Flirting Princess" Friday.  
Friday and Saturday night the attraction at the Tacoma theater will be the successful musical comedy, "The Flirting Princess," with Harry Bulger, noted comedian.

"The Girl in the Taxi" Sunday.  
"The Girl in the Taxi," one of the most sensational comedies of the past few years, will be seen for the first time in Tacoma at the Tacoma theater next Sunday night, the engagement being for one night only.

Sam Bernard Here Next Week.  
One of the biggest attractions of the season will be Sam Bernard in his latest success, "He Came From Milwaukee," at the Tacoma theater next Monday and Tuesday nights. Mr. Bernard has been entertaining Broadway for his past ten or twelve years, and this is his first Pacific coast tour.

## THE EMPRESS

Headed by a "Night in a London club," the bill at the Empress will be a laughter from start to finish. The entire show is full of comedy, every bill being interesting. The usual good motion pictures complete the acts.

## PANTAGES

Leading a number of good acts at Pantages this week is Mme. Marzella and her trained birds. The birds are a continual source of interest to the audience during the performance, and it is wonderful how well they have been trained. The Hatts, Louis Bates & Co. and The Great Hugo are a part of the bill.

## CONFESSES HE SHOT MAN

Charged with having shot and robbed Emanuel Ferraira, an Italian, on a lonely road between Wilkeson and Carbonado, the afternoon of Sept. 30, Diego Bettoglie, alias Dick Brusselle, another Italian, aged 21, was yesterday arrested at Carbonado by Deputy Sheriff Hamilton of Wilkeson. Bettoglie is an ex-convict, having been convicted of burglary. Bettoglie confessed last night to having shot Ferraira, but claims it was in self-defense and that his victim was a bad man.

The fugitive had been staying at the hut of a Frenchman near Carbonado, and it was here that he was arrested.

A suitcase which contains what the officers think is jewelry stolen from the store of Herman Stusser on lower Pacific av. early this month was also found in the cabin.

Will Recover It  
"Well, Tony," said a man to a fruit dealer on Sixth avenue yesterday, "I see Turkey has Italy's ultimatum."  
"Das alla right," replied Tony, with a smile. "No use to warra. Italia will getta heem back."—New York Telegraph.

## Slit Skirts are Coming Girls!

Everybody in Paris is wearing the slit skirt. Everybody in New York will soon be wearing it. And Tacoma is but a quick and pleasant trip from Gotham town.

The slit skirt in its tailored form is merely the ordinary skirt with a slit in it. A premeditated slit; a slit made with malice aforethought. The slit may be at the side seam, the front seam or the back seam. It may be four inches in length, six inches in length or 12 inches, although it is admitted that the last generous interpretation of the style is not seen in the more conservative circles.

A variation of the slit skirt that promises to be very popular is made with a row of button holes on one side of the slit and a row of buttons on the other side. The heart interest is supplied by the pardonable desire of the casual observer to determine at what button intention stops and accident begins.

When the slit skirt arrives all you will need to be in style is a pair of scissors and a stout heart. For the men will stare and grin.

## Tribe of Naked Indians Found at Hooper Bay

(By United Press Leased Wire.) SEATTLE, Oct. 16.—Running into a new and strange colony of naked Indians on Hooper bay, after buffeting Bering sea for five weeks in efforts to land safely, with a teacher's colony and supplies for a government school, was the fate of the power schooner Bender Brothers, which has reached Seattle.

On board when the vessel left in June were Mr. and Mrs. Richardson, engaged as school teachers for the Indians. At Hooper bay were a group of 40 Indians, naked, and with their bodies covered with seal oil. They fled at the approach of Richardson, and it was with difficulty that he induced them to approach near enough to exchange signs.

NEW YORK.—Daily fencing and boxing lessons with her brother aided Emma Hess, 12, to escape when John Norton, 27, held her up. She escaped by forcing his face into the dirt, jumping over his body and running.

SOUTH ORANGE, N. J.—Charged by a policeman with permitting his employees to tie a horse to a tree, violating the city ordinance, Judge Roll pleaded guilty and fined himself \$10.

NEW YORK.—Mlle. Ningo, the only gorilla at the Bronx zoo, starved herself to death, but lived 11 years in her cage here, the longest any gorilla has ever been kept in captivity.

GREENWICH, Conn.—Elizabeth McAndrews, by vote the most popular girl here, has been in a trance ever since returning from a dance a week ago, and physicians have failed to arouse her.

CHICAGO.—That patrons of restaurants should cook for the cooks is the suggestion of John Curtis Kennedy, formerly of the University of Chicago.

NEW YORK.—Suddenly going mad, a malted cat attacked Walter Meyer, 11, and his sister, Florence, 8, and bit them so seriously they had to be taken to a hospital.

CHICAGO.—Ralph Elwell's "barking" cough led to his arrest while he was busily engaged carrying away a few articles of silver from a neighbor's house.

CHICAGO.—Two fastidious prisoners in a police cell, refused to eat breakfast unless they were served with spring chicken and a bottle of wine.

DES MOINES, Ia.—Offering to marry free all couples matched through his office, Mayor Hanna has opened the Municipal Matrimonial bureau, described as "Clearing House for Lonely Souls."

NEW YORK.—A tiny splinter of glass, which entered her spine and worked up into her brain, caused the death of 15-month-old Edna Streurer, according to the coroner.

NEW YORK.—Because he took away his "corner" Thomas Brilla, a newsboy, probably fatally shot Frank Smith, another "Newsie."

CHICAGO.—Judge Hill decided an automobile livery company is not a public conveyer, and therefore not liable for refusing to transport negroes.

(United Press Leased Wire.) BROOKLYN, Oct. 16.—A "trial engagement" with Harold Sterling Vanderbilt is the latest idiosyncrasy of Miss Eleanor Sears, that young lady whose various activities as an athlete and in other capacities have kept the gossiping busy, according to an announcement made by her mother, Mrs. F. R. Sears of Boston, here today.

Vanderbilt is the younger son of William K. Vanderbilt. The "trial engagement" will last until next summer, by which time Miss Sears will either call it off for some new sensation or declare a public engagement.

## PUTS AN END TO INDIGESTION AND A SOUR, GASSY, UPSET STOMACH

As there is often some one in your family who suffers an attack of indigestion or some form of stomach trouble, why don't you keep some Diapepsin in the house handy.

This harmless blessing will digest anything you can eat without the slightest discomfort, and overcome a sour, gassy stomach five minutes after.

Tell your pharmacist to let you read the formula plainly printed on these 50-cent cases of Paper's Diapepsin, then you will readily see why it makes indigestion, Sour Stomach, Heartburn and other distress go in five minutes and relieves at once such miseries as Belching of Gas, Eructations of sour undigested food, Nausea, Headaches, Dizziness, Constipation and other Stomach disorders. Some folks have tried so long to find relief from indigestion and Dyspepsia or an out-of-order stomach with the common every-day cures advertised that they have about made up their minds that they have something else wrong, or believe theirs is a case of Nervousness, Gastritis, Catarrh of the Stomach or Cancer.

This, no doubt, is a serious mistake. Your real trouble is, what you eat does not digest; instead, it ferments and sours, turns to acid, Gas and Stomach poison, which putrefy in the digestive tract and intestines, and, besides, poison the breath with nauseous odors.

A hearty appetite, with thorough digestion, and without the slightest discomfort or misery of the Stomach, is waiting for you as soon as you decide to try Paper's Diapepsin.
