Sheehan Company Is Appreciated

"The Love Tales of Hoffmann," whose tuneful melodies are familiar to most every one, was greatly appreciated by a small audience last night at the Tacoma theater.

Miss Gladys Caldwell, who sang and acted two parts, the doll and the singer, possesses a beautiful light soprano voice and is a clever actress.

C Street Merchant Launching Out Despite Hard Times.

It takes confidence in oneself and the future of Tacoma to enter into a larger campaign for business and a large expenditure of money to promote the plans.

Mr. Asia is to be congratulated and the ladies of the city will do so by thronging the store during the remodeling sale which starts Wednesday of this week.

Remember the store is at the same location, but will hereafter be 1144-1146 C street.

Be happy. Use Red Cross Ball Blue; much better than liquid blue. Delights the laundress. Ten smiles for a nickel.

"Eight, eight and forty-eight." It was a base surrender; Mayor Seymour fell for it the first; his back-bone was quite slender.

Billy Clifford Is Main Attraction of Man, Girl and Game

"The Man, the Girl and the Game" has come and gone. So has Billy Clifford, its main attraction.

The show might have been termed good once, but its "goodness" has run out. Mae Collins was cute, but lacked a voice.

Saved Child From Death "After our child had suffered from severe bronchial trouble for a year," wrote G. T. Richardson, of Richardson's Mills, Ala., "we feared it had consumption. It had a bad cough all the time. We tried many remedies without avail, and doctor's medicine seemed as useless. Finally we tried Dr. King's New Discovery, and are pleased to say that one bottle effected a complete cure, and our child is again strong and healthy."

For coughs, colds, hoarseness, lagrippe, asthma, croup and sore lungs; its the most infallible remedy that's made. Price 50c and \$1.00. Trial bottle free. Guaranteed by Ryner hauled to the refineries, nor would quite so good as a winner.

The World's Largest MUSIC HOUSE

THE AUTOPIANO

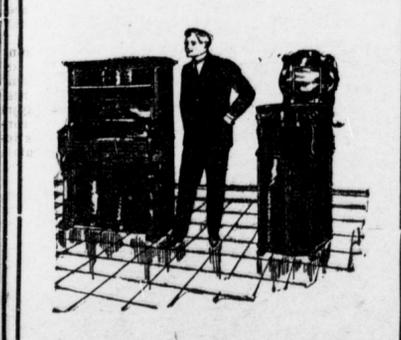

THE FAMOUS CHICKERING

Oldest in America Best in the World

ALL MAKES OF TALKING MACHINES

While other music concerns have come and gone, EILERS MUSIC HOUSE has gone steadily onward and upward to its present unapproachable position as the Nation's Largest Musical Establishment.

Of the many music stores that have been established on the Pacific coast and who have felt inclined to enter the field and contest in the race for supremacy in piano and organ selling, very few have been successful, and of these the Houses of Eilers also leads according to a recent statement in the Musical Courier of New York, the leading musical authority in the United States, in which they say, that of all the pianos and organs shipped to the Pacific coast, over 72 per cent are sold by Eilers Music House.

Only the complete confidence of the public, correct and progressive methods, the necessary financial strength, superior facilities, unquestioned business integrity, a "guarantee as secure as a government bond," a line of pianos that cannot be equaled, and an established reputation for always giving a greater value than can possibly be obtained elsewhere.

EILERS GREATER VALUES are made possible by their tremendous and necessary buying power to continuously and adequately stock their forty stores, frequently buying, shipping, and selling more than fifty carload lots by the special Eilers harness system, eliminating the cost of boxes and freight on same is one of the many economical features which their patrons get the benefit of. Then, too, the EILERS WAY of "Easy Buying, Easy Paying" has had a whole lot to do with their phenomenal success.

We are now exhibiting the largest and most beautiful stock of the world's best makes of pianos ever shown in the Northwest, including the famous Chickering, Sohmer, Hazelton, Kimball, Lester, Storey & Clark, Smith & Barnes, Eilers, Leland, Schilling, and over thirty other prominent makes.

Here only will you find the Autopiano, Uncle Sam's choice and used on over fifty U. S. battleships, and fifteen other world famous and time tried Player-Pianos.

Talking Machines

Another exclusive privilege intending purchasers will appreciate is the opportunity to try and compare side by side the Victor, Edison and Columbia (disc) machines, ours being the only house handling and impartially demonstrating all the different makes. Terms as low as \$1 per week.
