Saved Child From Death
"After our child had suffered from severe bronchial trouble for a year," wrote G. T. Richardson, of Richardson's Mills, Ala., "we feared it had consumption. It had a bad cough all the time. We tried many remedies without avail, and doctor's medicine seemed as useless. Finally we tried Dr. King's New Discovery, and are pleased to say that one bottle effected a complete cure, and our child is again strong and healthy." For coughs, colds, hoarseness, lagrippe, asthma, croup and sore lungs, its most infallible remedy that's made. Price 50c and \$1.00. Trial bottle free. Men's Clothing and Xmas Gift Selections

THE Rhodes Brothers' new clothing store for men is not a hole in the wall—it is a store. It is not a place where job clothing is sold. No man purchases here a cotton mixed suit or overcoat or anything less than his money's worth. Any man can come here and get good all-wool clothes that invariably contain far more than his money's worth. This we have demonstrated to hundreds of men since our men's store was first established. We shall demonstrate it to many thousands more. Fully two-thirds of the manufacturers who have offered us goods for this store gave gone away without orders. They had read of our prices and presumed that their inferior products would come under these prices here as elsewhere. They realize now that by all wool we mean all wool, that by first rate tailoring we mean just that to the last stitch. That by style we mean the very best that is obtainable at any price. A select few manufacturers contribute to this stock, only those that can carry our very exacting standard. We guarantee more than a man's money's worth on purchases of any of these garments. We are just now showing complete displays of Rogers-Peet, Derby System and Harvard Clothes for men and young men in prices ranging from \$15.00 to \$35.00.
