Eastly Loses Good Game

(By United Press Leased Wire.)
VANCOUVER, B. C., April 30.—Coming up from behind Vancouver yesterday defeated Nick Williams' Portland Pippins by a score of 4 to 3. Eastly, who made a creditable showing in Tacoma, relieved Tennessee and lost the game in the ninth. James hit to center, scoring the two runs that won the game. The score: R H E
Portland 3 7 3
Vancouver 4 11 3

MORROW VS. FITZGERALD
(By United Press Leased Wire.)
SAN FRANCISCO—Howard Morrow, the Chicago middleweight, whom Tommy Ryan says will some day be middleweight champion, is matched today to meet Jack Fitzgerald of Omaha in a four round bout here next Friday night. Morrow recently bested Kid George in a ten round go and made good with local fans. Seven other bouts complete the card, as follows: Manuel Virra vs. Lee Johnson; Willie Meehan and Al Bennett; Tommy McFarland and Young Watson; Willie Purtell vs. Barney Richter; Rufe Williams vs. Brick Burgess, and two "curtain raisers."

By G. R. Pulford
Did a baseball team ever encounter more misfortune than has befallen the Philadelphia National leaguers? Beaten out of the pennant last fall by injury and the suspension of Sherwood Magee, the Phillies picked up the broken thread before the season opened this spring and already four of the team's brightest stars are out of the game, while one of the most promising youngsters is also disabled. At one time this month nine regulars were sick or disabled.

It was bad enough when one of "Toots" Schultz' wild heaves fractured the wrist of the mighty slugger, Sherwood Magee, although Manager Dooin's foresight had in a measure prepared for this and he had "Gabby" Cra-

ST. MARTIN'S DEFEAT WHITWORTH NINE

BY FR. SEBASTIAN.
LACEY, April 29.—Outplayed at every point of the game Whitworth college went down to an ignominious defeat when St. Martin's sent them home to the tune of a score written in a thirty-six to nothing key. The score tells about the difference between the teams. Game to the last, however, the Tacoma boys held out courageously to the end. In the first inning after having been touched up for three singles and a three-bagger by the first four batters, Bonson, who was on the firing line for Whitworth, gave way to Lyons. The score tells the doleful tale better than words:
The score: R H E
Whitworth 00000000—0 1 10
St. Martins 81329571*—36 26 2

Hennessy Will Referee Langes-Nelson Contest

After considerable bickering Nick Langes, who claims the welterweight wrestling championship of the Pacific Northwest, has won his point and "Spike" Hennessy, the ex-boxer, will referee the match between Langes and Carl Nelson tonight at the Glide rink.

It was quite a victory for Langes as Hennessy has been looking after a number of matches for Langes. Fans who attend the match, however, need not fear that Hennessy will favor Langes, for he is one of the squarrest little sports on the coast and it is certain that with him as referee there will be no crooked work in any of the matches. Since "Spike" has been working around Lonnie Austins in Seattle he has annexed a large following and will probably bring over a number of fans to see the match. Last summer down in Astoria when Hennessy was training Eddie Keho, the lightweight boxer-singer, for his bout with Harry Harrison, the Ft. Stevens candidate for fistic honors, "Spike" was the serio-comic issue around the Star. He could make Keho work harder and pull off more funny stuff in the milling than Snookums or Happy Hoolikan, but when he gets down to business either in boxing or wrestling, there is always something doing. Billy Walters says Dufstrom will have to move around handily if he expects to win. Walters is in perfect condition and is going to finish up the match as soon as possible.

Ashman and Marino May Be Main Event At T.A.C. Smoker

Bruce Ashman against Eddie Marino is the piece de resistance and juicy morsel that the members of the Tacoma Athletic club will have dished up for their enjoyment at the next smoker, May 7, an adding to the enchantment of the evening will be meeting of Joe Bonds and Paul Schock. With these two contests one of the greatest smokers yet attempted by the club will be provided.

In the last smoker Bruce Ashman and James O'Malley displayed a fast six rounds and Ashman proved that a wrestler can move some in a boxing exhibition.

Since then he has been practicing daily and promises to display even greater skill and speed. Marino has become a member of the amateur club and is busy getting into condition. His friends say that he is even faster than ever but the husky little miner who has a jaw of iron, is attracting much attention among club members.

The membership books have been thrown open and will remain open until the night of the match. Bonds today began heavy training and is determined that Paul Schock, the club's dark horse, shall not put anything over on him.

U. P. S. VS. HIGH SCHOOL.

The University of Puget Sound will play the Tacoma High school a return game Wednesday at the U. P. S. grounds. The High school slipped one over on the college men in their first game two weeks ago. The batteries for the University will be Arthur Smith and Arthur Decker. Dan Espeland and Daly will constitute the High school men's battery. The score in the first game was 9 to 5.

CLAIMS LEAGUE VICTORY.

Supt. Loop of the Shelton High school claims that the victory scored over the Tacoma High school baseball team a week ago in the High school league. "Shelton High school is a member of the Washington State Athletic association and deserves the victory," states Loop. If the Shelton baseball team is the same proposition that their football team was, they have no right to be in the High School association. Last fall any available material in the county was pushed into a uniform and called a High school student.
