SPOKANE 7, SEATTLE 4.

PORTLAND, Aug. 7.—Falling on Bert Hall in the ninth inning after he had held them safe through the other eight, Nick Williams' Portland Colts piled up five hits in a row in the last frame and nosed Tacoma out of a close game, 4 to 3.

At the end of the first half of the ninth Lynch was smiling. The score stood 3 to 2 in favor of Tacoma. Then it happened. Bobby Coltrin started with a single. Steger laid a bunt to Hall and beat the throw. Kibble thought well of the trick and did likewise. Fries hit to short and Jansen and McMullin did a Punch and Judy fight for the ball while Coltrin scored. Sepas put one over Millon's head in left and Steger came home with the game. The score:

In 130 Innings Theodore Goulait Fanned 153 Men

THEODORE GOULAIT.

Hailed as "the strikeout king of the Central league," Theodore Goulait of the Springfield, O., club has gone to the Indianapolis club of the American association, leaving behind a record of 10 games won and 3 lost and 153 strikeouts in 130 innings, which is close to a world's record. Goulait, on his record, is the pitching find of the season and he will probably be in the majors within a year. His record is better than that of any member of Connie Mack's "big four" and he is but a green kid. When Charley O'Day resigned as manager of Springfield to accept a similar position with the jinx-ridden Indianapolis club, he took along Goulait, to burn up the American association. Goulait was turned over to Springfield by Indianapolis this season. Upon his initial appearance he was knocked out of the box in 3 2-3 innings, looking one degree better than nothing, but in his next and in subsequent games, he went like a gasoline fed fire, having been knocked out of the box but once. June and early July witnessed the boy winning eight games in a row. Dayton and Terre Haute are the only clubs to make as many as 10 hits off him, and seven runs is the largest number scored against him. The tabulated version of Goulait's work with Springfield is interesting. It shows that he pitched 18 games, averaging almost 10 strikeouts to a game, that he struck out 17 of the hard hitting

Old Cy Tells of Funniest Experience In Base Ball

Berger Fell For It, and Was the Happiest Man on Earth. BY OY YOUNG. I have seen many funny things in baseball in my time, and cannot imagine why the incident I relate still impresses me as the most humorous, unless it is because it happened the first year I was with Cleveland, when everything was new to me. At any rate, I thought it great then, and I still laugh whenever I think of it. When I joined Cleveland (never mind how long ago) the Pittsburg club picked up a catcher named Berger. Berger was a fine fellow, always willing to participate in a joke on someone else, and accepting jokes played upon himself in the best of spirits. He had been going along fairly well, but not brilliantly, for Pittsburg, and looked good enough to stick. Among the possessions Berger had a watch of which he was very proud, and every afternoon, when the team was on the road, he would deposit it in the hotel safe, when leaving for the ball grounds. One day the players talked the landlout out of the watch and, taking it to a jeweler, had him transfer the works to a fine looking but cheap case. When Berger went to bat that afternoon, the umpire stopped play, while the members of the Cleveland and Pittsburg teams gathered around the plate and witnessed the presentation of the handsome watch. I don't recollect the provocation for the gift. But Berger fell for it, anyhow, and he was the happiest man on earth throughout the game. When he returned to the hotel and received only the empty case he saw the joke and joined in the laugh with the crowd in the

Ben Hunt Sold To Chicago Americans

Ben Hunt, the lanky, freckled bean-pole southpaw pitcher for the Tacoma Tigers goes up. President Ed Watkins has sold him to the Chicago White Sox for \$3,000 for fall delivery and Ben is due to spring into Fame's spotlight next spring. It happened this way: Ted Sullivan, scout for President Comisky of the Chicago Americans, looked over Hunt when he twirled a winning game. Then he met Watkins at the hotel and they dickered. It ended with a telegram from Comisky authorizing the deal. Watkins can use the 3,000 Iron men to good advantage and Hunt gets the chance of his life. There's a neat little profit in Hunt. He was purchased for a few hundred dollars from Sacramento about two months ago. He got in with the night league when Oddy Abbott and Pete Morse were running wild but came back to earth with the shake-up and has been playing great ball since.

IN THE CONVERSATION LEAGUE

"If it was not breaking the law I would bet—" began Sheriff Bob Longmire this morning returning from his vacation, displaying an ability to bat around .666.

Phantom Tommy reports that Joe Tanner has been keeping regular hours. Another week of probation and he will be able to bat well and ride his hobby around the bases.

When last heard from Dave Evans was seen straining it for the bush league with a sadly battered suit case following the clam bake.

Roy Whitman blew over from Seattle on a vacation. He has been batting around .742 over a type case by night, which he says is more profitable than writing sporting news.

John Siefert is one of the best hitters in the league today. He's been batting around something fierce of late. How about it, old Two-and-a-half?

Betting has been slow and Corcoran is thinking about taking over the peanut concession.

SWIMMERS WILL TRY FOR RECORD

An attempt to break the mile swimming record in open water will be made this morning in the waters of American lake by the three Travilla brothers, professional swimmers appearing this week at the Empress theater. All three are noted athletes in aquatic sports and they hope to make a new mark. The present record of 23 minutes 16 4-5 seconds was made by B. B. Kerein of Sydney, Australia, in March, 1905. Jack Travilla, the youngest brother, has all but lowered the mark several times and he believes that tomorrow he will be the title holder. Later in the week he will try to lower the indoor tank record of 23 minutes, 40 2-5 seconds held by C. M. Daniels of New York.

Shoot Plans Completed

Preparations are complete for the biggest trap shoot ever held in Tacoma, to occur next Sunday at the Mantou Park range under the auspices of the Tacoma Rod & Gun club and the McAleer Gun club. Special prizes have been offered and fully 100 experts from all over the Northwest will participate.

FOTTRELL AND FULTON FASCINATE GALLERIES WITH FINE CONTEST

The big feature in today's tennis tournament program on the courts of the Tacoma Lawn Tennis club will be an exhibition match in mixed doubles between Miss May Sutton and Elia Fottrell and Miss Florence Sutton and William Johnston. Fottrell has been playing a star game and his appearance with the former world's champion of the women promises some of the best double playing on the local courts. Yesterday's feature was the defeat of T. C. Fulton, last year's Idaho champion. The game was nip and tuck from start to the last set when Fulton lost two strings in his racquet and Fottrell won out 6-3. Equally fascinating was the play between Emerson and LaLure, won by Emerson, who captured the first set 6-4. The second went to LaLure by the same score and Emerson served his opponent off the court in the third set 6-0.

OAKLAND, Cal. — Frankie Burns, the local lightweight, will meet Danny O'Brien of Portland in a ten round match here the night of August 14, according to announcement made. Articles have been signed and Toby Irwin will referee the bout. A preliminary bout will be between Jimmy Fitten and Henry Long.

Endurance Race Sunday For The Tacoma Motorcycle Club

The first endurance race to be held under the auspices of the Tacoma Motorcycle club will occur Sunday, the riders traveling from Tacoma to Hoquiam and return, a distance of 204 miles. Merchandise prizes aggregating \$300 have been offered. Starting from 11th and A sts. at 7:15, the cyclists will travel to Olympia, thence to Elma and on to Hoquiam, returning via the same route, half an hour being allowed at each point for checking in and replenishing gas and oil tanks. A number of entries have been received from Seattle. The run was laid out by Arthur Whisner, Ray E. Day and Elmer Bergstrom.

HAYES BEATS WELSH. WINNIPEG, Man., Aug. 6.

Freddie Welsh of Wales is considered in the "has been" class by fight fans who witnessed his 12 round bout here with Grover Hayes. Hayes fought Welsh in every round, and it was obvious that Welsh has gone back.

Vacation Will Soon Be a Thing of the Past.

In a few days the boys who have been spending the summer in the country or at their camp in the mountains will return for the fall opening of school. Hundreds of boys will be looking for work after school hours and there will be so many applicants for each job that many will have to go without. We are about to make a few changes among some of the present carriers of the TIMES, and will have a few choice routes open for a few bright, ambitious boys who want to work their way through school. These routes will not last very long, so if you are thinking of getting one come in and leave your application at once so that you will be the first on the list when school starts. HIGH SCHOOL BOYS: ATTENTION! Expenses at High school come pretty high. You will need more money than you did in the lower grades. Why not carry a paper route to help meet these expenses? We are going to put a number of the larger boys on the down-town routes, so if you want one of these let us know about it at once so that we may make arrangements for you when school opens. Apply this week at the Times office, 9th and Commerce sts.
