OROZCO TIRED, ASKS FOR PEACE

PEACE EXPECTED SOON - REBELS ARE BELIEVED TO BE READY TO LAY DOWN ARMS.

(By United Press Leased Wire.) MEXICO CITY, Aug. 16.—Definite proposals for peace were received by President Francisco I. Madero here today from General Pascual Orozco, commander in chief of the revolutionary forces. It is expected that a truce will be declared immediately and negotiations opened which result in the rebels laying down their arms.

General Orozco telegraphed President Madero stipulating that all terms must be in keeping "with the dignity of the provisional government."

It agreed to not insist on Madero's retirement, but demands that all revolutionists, including himself, be restored to full citizenship.

Orozco, however, insisted that Madero pledge himself immediately to fulfill reform promises made when he took the presidency and that 300 of Madero's relatives be ousted from their jobs. It is expected that an extra session of congress will be called to consider the proposal.

EL PASO, Aug. 16.—Without disorder and but little looting, the last of General Orozco's Mexican rebel troops quietly boarded a train of the Mexican Central railroad in Juarez today and departed for Villa Ahumada, there to start marching overland into the state of Coahuila, through the mountain passes southward, hoping to join General Zaata in the campaign against Mexico City.

After the departure of General Orozco, Juan Medina, head of the vigilance committee, took charge of Juarez, and is receiving orders pending the arrival of Generals Telex and Huerta, who are coming at the head of an army of several thousand federals.

SOME WEATHER

This morning's steady drizzle brought the total amount of rainfall for the month of August up to 2.33 inches, which, although the month is scarcely more than half gone, makes this the wettest August in history. The previous record was set in August, 1909, when 2.26 inches fell during the month. According to the weather report the rainfall during the entire month has been general throughout the Pacific Northwest.

STATE SENATOR CHARGED WITH MISAPPROPRIATION

Peter Jensen, state senator from the Fern Hill district, Tacoma, was today charged with misappropriation of \$1,180 belonging to the state board of pharmacy, of which Senator Jensen was formerly secretary.

A warrant for his arrest was sworn to by John Lee, present secretary of the pharmacy board, in Justice DeWitt Evans' court. It is alleged in the warrant that Senator Jensen on and after June 2, 1909, and up until November 30, 1911, appropriated money out of the funds of the state board of pharmacy for his use to the amount of \$1,180.60 and that the books show this amount still unaccounted for.

Just before noon today Senator Jensen was notified of the existence of the warrant and stated that he would appear at the court house without aid of the sheriff's office.

NEGRO WOMAN EXECUTED IN VIRGINIA

FIRST WOMAN IN THAT STATE TO DIE FOR COMMITTING MURDER.

RICHMOND, Va., Aug. 16.—Smiling and unafraid, Virginia Christian, a negro 17 years old, the first woman to be executed in the history of Virginia, was sent to her death here in the electric chair at 7:23 o'clock this morning for the murder of Mrs. Ida Belote, 72 years of age, a white woman, at Hampton, Va.

Just before the cap was placed over her head the woman turned to her spiritual adviser and said: "I am glad to go. I killed Mrs. Belote and deserve to die. I feel no fear. Kill me quick."

The negro was employed as a washerwoman by Mrs. Belote. Angered by a reprimand, the girl felled her employer, beat her into unconsciousness, choked her, partially scalped her and then thrust a towel down her throat.

Miss Christian was well educated. It was brought out at the trial that she killed Mrs. Belote in a fit of temper.

PIONEER DROPS DEAD IN STORE

Standing in the doorway of the Fisher shoe store, 95 Pacific avenue, shielding himself from the rain while he waited for a car, F. H. Hatch, 70 years old, a pioneer of Tacoma, and one of the first men to be engaged in the lumber business here, with a sudden gasp for breath pitched suddenly to the sidewalk, dead.

Heart failure is thought to have caused the aged man's death. He was quickly removed from the sidewalk inside the store where employees did everything possible to revive him, but without success. The unfortunate incident occurred about 1 o'clock.

His home is in Burton. He had but recently retired from the lumber business in which he had been engaged for 25 years.

The remains are lying at the Gaffney mortuary awaiting the arrival of some of the dead man's people from Burton.

8 PRISONERS TRY TO ESCAPE

RENO, Nev., Aug. 16.—Using broom handles for levers, eight prisoners sentenced to the penitentiary, twisted the bars of their cells and were about to escape when Deputy Sheriff James Foe discovered the attempted jail break, according to a dispatch received here today from Terrington.

The prisoners were all driven back into their cells. Joe Reynolds, sentenced to four years for grand larceny, was the ring leader.

YEGGS BLOW UP SAFE AT GIG HARBOR

USE NITRO-GLYCERINE AND GET AWAY WITH \$100 IN MONEY AND STAMPS.

After burglarizing the store owned by A. Uddenberg at Gig Harbor, a suburb of Tacoma, a party of yeggs last night forced the rear door of the postoffice at that place, rolled the 900-pound safe out upon the beach where they blew it open with nitro glycerine, and escaped with the contents. They secured in all about \$100.

Uddenberg, who is also the postmaster, reported the affair to the police and the United States marshals office when he discovered the robbery today. The sound of the explosion did not awaken anyone in the neighborhood.

It is believed the safe-cracker took to a boat after they had completed their work and escaped across the Narrows, as no tracks could be discovered leading away from the wrecked safe.

They then went at once to the postoffice which is but a few feet distant from the store building. Here they smashed in the door.

The safe was rolled and skidded to the beach and blown to atoms. Besides about \$90 in money the safe contained several dollars' worth of stamps. These were also taken.

Peter Steno, deputy sheriff, and H. J. Dolen, deputy U. S. marshal, went over this morning to investigate the robbery, taking along a John Doe warrant sworn out by the assistant postmaster here before U. S. Commissioner Jamieson. There is no clue to the perpetrator of the job, however.

THE USUAL CROP

He has a little place out in Elizabeth township and has been making a garden. His wife called him to account the other day. "Husband, you promised at least a dozen of our Pittsburg friends some early vegetables."

"I know I did."

"Well, what are you going to do about it?" "I was just wondering if they wouldn't compromise on a trip to the theater instead. I don't see how I am going to divide four radishes among a dozen families."—Pittsburg Post.

N. Y. Millionaire Society Woman In Politics 12 Hours a Day

MRS. J. BORDEN HARRIMAN.

What Mrs. J. Borden Harriman, Millionaire Society Woman, Means by Deserting "400" to Battle for Wilson.

NEW YORK, Aug. 16.—Mrs. J. Borden Harriman, pet of New York's "400" and wife of a great millionaire, has come out of her luxurious country home on Long Island to spend twelve hours a day in a hot office organizing the women of this country in a national Woodrow Wilson association.

Said Mrs. Harriman in her quick, decisive way, "I feel that the time has come when women have more to do in the world than just to sit around a bridge table

or a sewing basket. I feel that we must get out to make the world better; to help level class barriers and to create a world in which everyone shall have a fair chance.

"People are surprised that I, a so-called 'society woman,' should of all persons, be undertaking the organizing of the Women's Wilson-Marshall association. I don't look upon it in that way: all. We should all be fighting for the common cause—the progress of mankind. "And so I consider that all women, rich or poor, should take upon themselves in these days when thought is advancing, to help in the general purging of our public life.

"Women can do a great deal to create a public sentiment for Wilson, in addition to just controlling one or two home votes. They can form Wilson clubs and bring speakers in his behalf before the voters of their home town.

"But the greatest thing the women can do is just to TALK, TALK, TALK Wilson everywhere. I am a great believer in the thought-currents that roll over a nation. It was such a thought-current, sent up from the minds of millions of people, that nominated Wilson at Baltimore. "It is the work of the good women of this nation to create this thought-current. The voters, under its influence, will do the rest for us."

THE PRIZE

For the best two kodak camera pictures of vacation pleasures submitted each week the Tacoma Times will give a box at either the Empress or Pantages theater.

For the best series of pictures submitted up to September 15, an "Eastman Hawk-eye four-by-five" folding camera will be awarded by the Shaw Supply Co., Inc., 219 Pacific ave. This has a rapid rectilinear lens and automatic shutter and is as good or better than any camera on the market. It uses Eastman's noncracking film and can be "loaded" in daylight.

STEAMER SUNK

CANDIDATES DESERTING G.O.P. FOR THE BRAND NEW ORGANIZATION

Progressives are holding a meeting at the office of Lorenzo Dow this afternoon to take steps to bring Roosevelt here September 11. He will be at the state progressive convention September 10, which will meet at Seattle and it is the purpose to have him here in the stadium the following day for a monster demonstration.

With Roosevelt here to launch the new progressive ticket the followers of this party figure that there would hardly be enough left of the old stand-pat republican party when he got through to make a respectable funeral.

At the last appearance of Roosevelt in Tacoma the stadium was packed with over 20,000 people and it is believed this record can be eclipsed now in view of the interest in his candidacy.

(By United Press Leased Wire.) SEATTLE, Aug. 16.—Progressive candidates on the republican ticket are rapidly deserting the old party and coming over to the new progressive party which will hold preferential primaries on September 7 to nominate a full state and county ticket. Twenty-two candidates have already formally withdrawn their candidacies from the republican primaries to be held on September 10. Before the week is over, every progressive candidate in the state is expected to follow suit.

The list at present includes two candidates for governor, Robert T. Hodge and John C. Lawrence. Otto A. Case, another progressive will issue his formal withdrawal from the republican party tomorrow, it is expected.

Three candidates for congressmen at large, John A. Ballaine of Seattle; State Senator J. A. Falconer and State Senator J. W. Bryan have quit the old party. Representative W. T. Christensen has announced his intention to run for re-election on the progressive ticket. Candidates for sheriff, coroner, legislature and other county offices are preparing a wholesale migration from the republican party to the progressive party.

Representatives from all over the state, members of the Roosevelt campaign committee chosen at Aberdeen, will meet here Saturday. At the same time local progressives will hold a county mass meeting. E. C. Snyder, chairman of the campaign committee, who had gone to Spokane to arrange for the progressive primaries east, has returned here today and predicts that county progressive party tickets will be named in every county in the state.

The real progressives are beginning to get their bearings now and are coming out of the republican party and withdrawing as candidates on that ticket to enter the primaries of the progressive party.
