

BULGARS PRESS TURKS IN BATTLE

(By United Press Leased Wire.) VIENNA, Nov. 4. — Terrific fighting between the Turks under Nazim Pasha and the victorious Bulgars is in progress near here today at the very gates of Constantinople, while inside the city the wildest rioting is endangering the safety of the Christian population, according to reports just received here from the Bulgarian front. Latest advices were that the Bulgars were storming the Turkish fortifications at Tehaltaja and rumors are current that their attack was successful and that the defeated Turks are being driven, a disorganized mass, into the capital. It is also reported that the rioting in Constantinople followed an attempt by the mob to seize food, the government having commandeered almost the whole supply of edibles in the city.

"Hodge will carry Pierce county by 3,000 and over tomorrow. It is a landslide all over the state. We will come to the city with a big majority from the country precincts. If we get a fair and square count in what is known as the bad down town precincts we will carry every ward in the city excepting possibly the second. We may lose the second by a small majority. It has been a people's fight from the beginning—carried on by small contributions of the people—and they will come into their own tomorrow."—R. A. B. Young, secretary of the Pierce county progressive headquarters.

LILY DIDN'T DO IT, SHE SAYS

BOSTON, Nov. 4.—That it was Lady Cornwallis West and not she who dropped a piece of ice down the back of the late King Edward of Great Britain when he was Prince of Wales, is the assertion of Lilly Langtry, the renowned actress, who is preparing her memoirs here today. "That fable follows me everywhere," said the Jersey Lily. "One of the reporters who met me at quarantine asked me if I still patronized the same ice man. Fancy the impudence!"

CHICAGO LID ON

(By United Press Leased Wire.) CHICAGO, Nov. 4.—Many alleged gamblers, gathered into the police dragnet, will be arraigned in police court today following a series of raids on poker, dice and other gambling games here last night. Many of the prisoners are negroes who were caught "shooting craps," one resort alone yielding forty gamblers. Two dusky hued denizens of the Pullman club were hauled half frozen from an ice chest where they had hidden.

OLE HANSON RAPS THE COURT

With the Temple of Music holding a capacity house, Ole Hanson, the fighting Bull Mooseer from King county, took an awful fall out of the supreme court Saturday night, then came down to state politics, and told the audience that Bob Hodge was the man for the governor's job.

"Bob Hodge has been the most abused man in the state of Washington," said Ole, "and the lying press has made such a desperate fight to put in their putty governor, Hay, that the people have become acquainted with the dirty game and have stood together by Bob Hodge." Hanson was cheered to the echo when he finished. Col. Joab acted as chairman of the meeting. At the corner of 12th and Pacific another gathering had formed at which addresses were made by all the county candidates on the progressive ticket. Hanson appeared on the scene just before its close and made a short speech.

GIRL DIES A SUICIDE

(By United Press Leased Wire.) SEATTLE, Nov. 4. — Maud Campbell, heartbroken and penniless, drank four ounces of carbolic acid in her room at the League hotel, dying just as a physician arrived. A note on her dresser to her sister in Snohomish, told of her mental condition and asked that she not be buried by the side of her parents. "They were good and did not die as I must," it read. She had lived in Seattle several months and had done at various times under the name of Mrs. D. N. Simmons.

RAIN CAUSE OF A DEATH

(By United Press Leased Wire.) SEATTLE, Nov. 4.—A heavy rain, fogging the win shield of an auto driven by J. C. Bowles, 22, was responsible for J. H. Davis being struck by the machine last night and receiving injuries from which he died two hours later. The accounts of eye witnesses exonerated Bowles from all blame. Davis walked directly in front of the machine.

NO PICTURES FOR WILSON

(By United Press Leased Wire.) PRINCETON, N. J., Nov. 4.—Woodrow Wilson, democratic nominee for president, refused today to allow photographers to take photographic snapshots of a court plaster which surgeons put on his head following an accident caused by his auto hitting a bump in the road. Dr. J. M. Carnoghan said that the gash was trivial and would not interfere with Wilson's campaign engagements.

BOB HODGE AND HIS FOUR BOYS

This is a picture of Bob Hodge and his four boys. The same who have been subjected to the most depraved and thoroughly damnable conspiracy known in political annals of this state. Does Hodge look like a crook or a grafter or a lump of clay? Do his sturdy boys look as though they had ever been neglected or abused or reared in ignorance and ungodliness? Return your answer when you vote tomorrow!

HOW TO MARK YOUR BALLOT!

Mr. Voter, make no mistake when you mark your ballot Tuesday. When you enter the polling place you will be handed a ballot 18 inches wide and nearly a yard long. At the top are the constitutional amendments. First is the amendment to allow county officers more than two terms, second is the recall, third the initiative and referendum, fourth is the amendment necessary for adoption to make the initiative and referendum effective. Following the amendments will come the question of the port district. And then will follow the six tickets, republican, democrat, socialist, socialist labor, prohibition and progressive in order. The progressive ticket will be on the extreme right of the ballot. To vote a straight progressive ticket simply make a cross in the circle at the top. If you wish to vote for some one candidate on any other ticket simply make a cross after the name to be voted for. That votes for the name and cancels the other. In case you vote for a legislator on another ticket where there are two candidates, then you must make a cross after the name of the one progressive and the one democrat, socialist or republican in the same district you wish to vote for. The same applies to justice and constable. On the judiciary ballot make a cross after the names of both Card and Chapman and then after two in the column where there are four judicial candidates. On the supreme court judicial ticket write in the name of the third judge you desire to vote for or paste on a sticker, which will be available. The candidates will be John F. Main, Seattle; W. W. Black, Everett; Brooke Wright, Tacoma. This will finish the voting. Fold the ballot, hand it to the judge and the job will be over. Below is the progressive ticket as it will appear on the official ballot. Beside it are the various amendments.

GIRL CALMLY ADMITS SHE SLEW TWO WOMEN

(By United Press Leased Wire.) LOS ANGELES, Cal., Nov. 4.—Still maintaining the truth of her unprovoked murder, Miss Pansy Ellen Lesh, 24, is in the city prison today. She tells a story in a calm, unemotional manner of how she administered rough on rats on Mrs. E. M. Quantance, an aged woman, who had adopted her, at Greenbridge, Mo., when she was but 16 years of age and later of having killed Mrs. Coe at Sedalia, Mo., in the same manner. Mrs. Lesh says she felt no qualms of conscience after the alleged killing, but when Mrs. Coe kissed her just before death she was sorry, and since then had tried to lead a good life. A quarrel with her husband, whom she had told of the crimes, she says, led to her confession. The Missouri authorities partially corroborate Mrs. Lesh's story, inasmuch as Mrs. Quantance and Mrs. Coe died there suddenly.

TRIAL ON AGAIN

INDIANAPOLIS, Ind., Nov. 4.—The reading of the letters alleged to have passed between John J. McNamara and the 47 union men on trial here for illegally transporting dynamite was resumed here today with the convening of the United States court.

THE LAW ON LOAN SHARKS

The state law prohibits ANYBODY from charging ANYBODY more than TWELVE PER CENT a year on any kind of a loan! If Tolman, or Drake, or the "State Security Co." or any other loan shark has attempted to collect MORE THAN ONE PER CENT A MONTH from you under any pretext whatever, come to the Times office and state your case. You need not pay one cent of interest if such an attempt at extortion has been made. No matter what the sharks tell you; if they try to annoy you at your home or place of business, swear out a warrant for them. But above all, REFUSE TO PAY THE INTEREST IF IT IS MORE THAN TWELVE PER CENT A YEAR. THAT'S THE LAW!

In all this campaign, which has been marked by vilification, by crimination and recrimination, have you heard one word, directly or indirectly, that has reflected in the least upon the honesty, integrity or ability of Ernest Lister? Think this over.

ERNEST LISTER

Democratic Candidate for Governor

Progressive Women of Seattle Endorse Lister for Governor

We want to help in the election of an honorable and able man as Governor of this grand State of Washington, where we have been enfranchised and thus made real citizens of our own country. Every citizen is in honor bound to inform herself concerning the several candidates for this high office, and to vote for one whose character and career promise a wise and righteous administration of public affairs during his term of service. Who among the several candidates for our votes on Nov. 5th is so desirable for Governor as is

ERNEST LISTER

Governor Rogers appointed Mr. Lister to an office in which he regulated the public institutions and kept a general supervision over the expenditures of the various departments, with such ability and success that the state warrants, which had been below par, rose to a premium. As the coadjutor of the Governor he helped to thwart premature expenditures for the erection of enormously expensive public buildings at Olympia, thus saving the State from bankruptcy, while he bore much abuse therefor.

Mr. Lister has never been a professional politician. He is popular wherever he is known; his honesty is undisputed; and his family life is admirable.

We Intend to Vote for Ernest Lister as Governor

- MISS ADELE M. FIELDE MRS. C. J. FRANCE MRS. P. D. HUGHES MRS. O. H. P. LA FARGE MISS LUCY R. CASE MRS. GRIFFITH DAVIES MRS. E. M. RINGBER
- MRS. FRANCES G. MILLER MRS. C. ALLAN DALE MRS. JOHN M. WINSLOW MRS. OTTO CASE MRS. WORRALL WILSON MRS. JOHN R. SIMISON MRS. HARVEY L. GLENN

If the Progressive women in Seattle are so enthusiastic for Lister, surely there is not a voter in Tacoma that will not vote for him. If the voters of his home city do their duty on election day Ernest Lister will be our next Governor.
