MGR. M'KEE INVITES TACOMA COPS TO SEE "OFFICER 666"

"It seems too wonderful to happen anywhere but in a play." "And believe me, dear, it couldn't." And that's just what the audience thought when it recovered. "Officer 666" is one of those shows one has to recover from, if one takes it straight. Every minute is a laugh with 30 seconds of catching your breath in between. It is a rapid fire of comedy and startling situations. Six persons enjoyed it more than all the rest, perhaps, because it hit so near home. They were the three Tacoma policemen and their wives, whom Manager McKee bid to the show for the sake of the pleasure at seeing them have a good time. They were the fattest and oldest, and the smallest cops on the Tacoma force—Jailer Steve Murphy, who weighs 261 1-2 stripped; Jail Guard L. B. McCoy, who has been in the service so long he has forgotten the number of years, and Bertillon Operator Harry Smith, who can barely tilt the scale beam at the 110 pound mark.

MUSICAL TREAT. Clement B. Shaw, A. M. Mus. Doc., will read "The Ring of the Nibelung" at the First Christian church, Tuesday evening, November 12, an event which is considered one of the musical treats of the season. He is recognized by eastern musical critics as one of the leading interpreters.

FIND CAUSE FOR GAS MOTOR FOR BIG EXPLOSION

SALEM, Ore., Nov. 9.—The coroner's jury investigating the explosion in the Salom Bank & Trust company's building a week ago, which resulted in the death of three men, reported that the cause of the explosion is known. Indications are, they say, it was a case of low water and red hot flues and a resultant explosion when the cold water touch the first flue.

LABOR MEN MEET NEXT MONDAY

ROCHESTER, N. Y., Nov. 9.—The annual convention of the American Federation of Labor opens here Monday morning. The annual reports of Samuel Gompers, president of the organization, and Secretary Frank Morrison will occupy the attention of the delegates on the opening day.

APPROVE PLAN

Low Handley and Jerry Meeker, sureties for John Huntington to the bonding company which was surety to the city for Huntington, will finish the Jefferson avenue contract, having employed Frank Allen to do the work. The city council this morning approved the arrangement.

EGGS ARE SCARCE

Arrival of a large consignment of grape fruit from Florida has knocked the bottom out of the market. Eggs are a scarcity even with the advance price offered by wholesalers. Ham will probably be lowered next week. Otherwise the market is stationary.

HEBB DEAL IN A MUDDLE NOW

The scheme to buy power from P. H. Hebb, which the council thought it had all fixed up does not look so rosy now. The \$30 a horsepower which looked cheap now appears to be pretty high and Hebb this morning then asked the council to simply grant him a franchise to come into Tacoma and take his chances of getting business for himself. In other words he wants the city to give him a franchise to come into the city and become a competitor with the municipal plant.

SEATTLE MAN IS STRONG ARMED

W. E. Gates has today returned to his home in Seattle with a wholesale disrespect for Tacoma hospitality and poorer by some \$42. Lured into an ambush by a man whose acquaintance he made coming to Tacoma on the 7 o'clock boat last evening, Gates was strong-armed in Opera alley in the rear of the Maple Leaf bar, 1546 C street, by two negroes and robbed. At the rear of the Maple Leaf saloon, Gates was seized by the two negroes. One of them clapped a hand over Gates' mouth to prevent an alarm being given, while the other gripped his arms tightly from the rear and went through his pockets.

HOW TO MAKE BETTER COUGH SYRUP THAN YOU CAN BUY

A Family Supply, Saving \$2 and Fully Guaranteed. A full pint of cough syrup—as much as you could buy for \$2.50—can easily be made at home. You will find nothing that takes hold of an obstinate cough more quickly, usually ending it inside of 24 hours. Excellent, too, for croup, whooping cough, sore lungs, asthma, hoarseness and other throat troubles. Mix one pint of granulated sugar with 1/2 pint of warm water, and stir for 2 minutes. Put 2 1/2 ounces of Pinex (fifty cents' worth) in a pint bottle, then add the Sugar Syrup. It keeps perfectly. Take a spoonful every one, two or three hours. This is just laxative enough to help cure cough. Also stimulates the appetite, which is usually upset by a cough. The taste is pleasant. The effect of pine and sugar syrup on the inflamed membranes is well known. Pinex is the most valuable concentrated compound of Norway white pine extract, rich in guaiaicol and all the natural healing pine elements. Other preparations will not work in this formula. The Pinex and Sugar Syrup recipe is now used by the United States and Canada. The plan has been imitated, but the old, perfect formula has never been equaled. A guaranty of absolute satisfaction, or money promptly refunded, goes with this recipe. Your druggist has Pinex, or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.

WANTS \$25,000

The trial of that case of Mrs. R. Sadler against the Pacific Traction company for \$25,000 damages for the death of her husband was taken up in federal court this morning. Sadler was an employe of the company and was killed when a car was run into the barn last year.

Burglar in the home of Miss M. L. Denny at Seattle at the point of a revolver compelled Miss Fannie Cook, the servant, to pilot him through the house while he robbed it.

Little 18-months-old Josephine Mracek was cremated before the eyes of her parents when the home burned at Chehalis yesterday morning, all efforts at resuscitation being futile.

Theatrical

THEATRICAL Tacoma—Sunday and Monday nights, "A Butterfly on the Wheel." Nov. 18, 19 and 20, Maclyn Arbuckle in "The Roundup." Princess—Stock. "The Bishop's Carriage," next week. Empress—Vaudeville. Pantages—Vaudeville.

AT THE PRINCESS

Channing Pollock's breezy and exciting play "In the Bishop's Carriage" is the new offering at the Princess theater beginning with the matinee tomorrow afternoon. This announcement should be especially pleasing to the patrons of the Princess who prefer a good comedy with thrills thrown in for full measure. "In The Bishop's Carriage" deals with a crook, but an unusual one—a girl who steals, not through choice of inclination, but through force of circumstances.

AT THE TACOMA

"A Butterfly on the Wheel." After a long engagement at the Thirty-Ninth street theater, New York, "A Butterfly on the Wheel," with the original production under the direction of the Shuberts and Lewis Waller, the English actor-manager, will be seen at the Tacoma theater Sunday and Monday with an all-English cast.

AT THE PANTAGES

Although there are several acts of stellar prominence coming to the Pantages theater on the brilliant bill promised for next week, beginning Monday matinee, "The Garden of Allah" pictures will probably arouse greater comment than any other one feature. "The Garden of Allah Pictures" are said to be the most startling revelation of desert life ever presented. The star feature of the vaudeville will be "The Stage Door Johnnies" with Miss Beatrice Oliver as queen of the chorus. There are several pretty chorus numbers, much good comedy and a sprightly chorus. When it comes to popular honors, the Arlington Four will probably give any act on the bill a close race for the boys have been "cleaning up" all along the circuit. They may be depended upon to dance, joke and sing themselves into favor. Al Carlton is a comedy feature. He is thin, agile and a whole show in himself. Howard's animal troupe consisting of four black bears and several remarkably clever dogs, will be an added feature. The Mabelle troupe of acrobats will furnish another bright feature.

HIEM FOUND IT AT LAST

Otto Hiem appeared at the station last evening greatly excited and told the officer in charge he had engaged a room at the Empire lodging house last night and left his valise. When he returned the landlady told him he had neither rented a room nor left his grip. An investigation this morning disclosed that Hiem had registered. The valise was also found.
