BUNGALOW PARK

The A. H. Barnhisel Co. Builds Bungalows (We don't sell farms any more, we've sold them all.)

If you are in the mood for buying or building a home that combines quality, convenience and the style of the Craftsman movement, you should consider Bungalow Park in a beautiful location at the end of Sixth Ave. car line. There are 20 acres in the plat. Owners plan to build up the whole subdivision with modern homes. No lots are for sale except with order for building.

There will be no shacks in Bungalow Park. A "shack" is all right in its place, but there will be no shacks in Bungalow Park. Every home will be a distinct type—every home will add to rather than detract from the value of the whole park district, because every home will be a house beautiful.

In addition to all this—the Sixth Avenue Boulevard is the outlet from the City to the coming resorts in the Narrows and the whole West End. The Sixth Avenue Boulevard runs for two blocks through the Bungalow Park Addition.

We have now under construction several new bungalows facing Sixth Avenue. They will not be ready for some time, but in the meantime you can see and see the style of the new homes. We can sell on easy terms or take other property in exchange.
