# HEAVIES WHO WILL MIX IN CHAMPIONSHIP BOUT

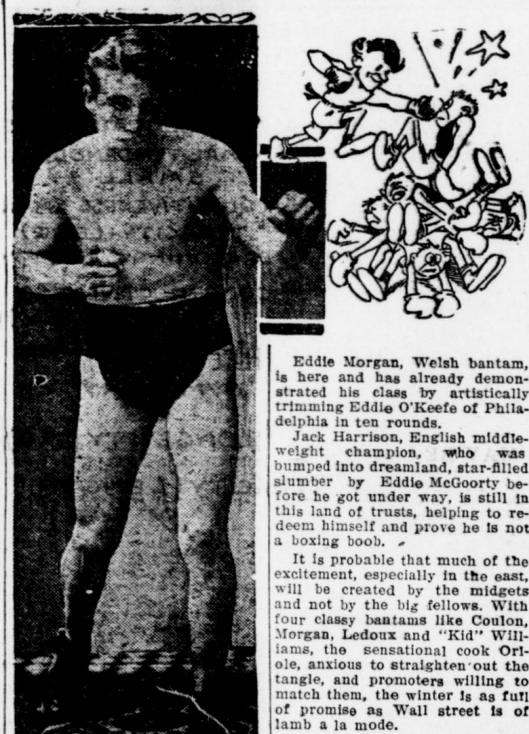

## "Beat Seattle" Is Motto; First Step Is Cleared

When Tacoma High was thrust out of the championship race by defeat at the hands of the Everett team the one cry was "beat the Seattle teams." The first step in this determination was carried out Saturday when the Blue and Gold humbled the oldest of her rivals, Broadway, by the score of 35 to 7, the largest score ever run up on any of the three big Seattle teams. The Broadway game was far the best seen on the local grounds this season. Both teams fought like packs of demons. The wet weather favored the old style of football at which the locals excelled, but both teams used the forward pass to advantage. Horejs' work was the most brilliant for Tacoma, the captain playing one of the best defensive

## TY COBB LEADS FOR SIXTH TIME

(By United Press Leased Wire.) CHICAGO, Ill., Nov. 11.—For the sixth successive year the batting honors of the American league again go to Tyrus Cobb of the Detroit club, according to the official averages for 1912 issued today. The figures give Cobb a rating of .410, and show Joe Jackson of Cleveland next with .395.

## FOREIGN CHAMPS AFTER COULON AND CASH

EDDIE MORGAN; KNOCKOUTS HIS SPECIALTY.

Foreign boxers will chase American gold this winter at the centers of boxing, New York, Boston, Philadelphia, Memphis, New Orleans, San Francisco and Los Angeles — will be their stamping grounds. Bombardier Wells, champion heavyweight of England, will return to prove his right to the title of champion. Georges Carpentier, the French Adonis, who was horribly mugged up by Billy Papke, will display his prowess among the light heavyweights. Charles Ledoux, French bantam, by reason of his victory over Digger Stanley, the Britisher, is in New York, ready to take on the headlines as fast as they come, Johnny Coulon preferred. As on this side of the water we think Coulon is the bantam champion, there may be some difference of opinion as regards M. Ledoux and his claim.

## Short Sport

CHICAGO — Frank Chance, former manager of the Chicago Cubs today was released to the Cincinnati Reds, which team he will manage next season. President Murphy announced the price as \$1,500, which is the waiver figure. He also said that Joe Tinker probably will remain with the Chicago Cubs.

CHICAGO, Oct. 9.—President Murphy of the Chicago Cubs today announced the sale of former Manager Frank Chance to the Cincinnati Reds. Murphy this afternoon telegraphed Chance at Glendora, Cal. notifying him to the sale.

LOS ANGELES, Nov. 9.—Looking none the worse for his ten-round engagement with Joe Mandot in New Orleans early this week with the exception of a discolored eye, Lightweight Champion Ad Wolgast arrived this afternoon accompanied by his manager, Tom Jones. When asked concerning his proposed Thanksgiving engagement in San Francisco, he said: "I stand ready to meet anybody they may produce on Thanksgiving."

## JOE BONDS HAS TRAINING MEN

Joe Bonds, the big Tacoma boxer who will meet Frank Farmer in Eatonville on the 23d of this month, has begun training, assisted by Lee Croft, Eddie Shepler and "Denver Ed" Martin. With these men to train him Bonds ought to be able to make a great showing. Farmer is working hard, too, according to word received here.

## SEATTLE RACES CALLED OFF

Owing to the sloppy condition of the track in Seattle the eight days of automobile racing for that city were canceled and "Bob" Burman called off his Portland engagement to boot. "Bob" has shipped his cars to Santa Monica and does not expect to come back to the Sound before spring.

## MANDOT ARRIVES

## CHAMPS TO BATTLE TONIGHT

## PEPPERY CUBAN FANS ARE CALLED TO LYNCH UMPIRE

HAVANA, Nov. 11.—Acting upon the suggestion of a sporting editor of a local newspaper, a mob of Cuban baseball fans went to the hotel of Umpire O'Brien of the American league today for the express purpose of lynching him. They carried ropes and other requisites. O'Brien had been warned in the meantime of his impending fate and was able to make a quick getaway and hide. Then the chief of police was notified of the situation and the fans were dispersed by a company of armed rurales. O'Brien came here with the Philadelphia Athletics, who have won every game from the Havana team. Yesterday the Havana had a chance to win, but were beaten by two close de-

## MCCARTHY AND JIM FLYNN TO START OFF McCAREY'S ELIMINATION TOURNAMENT

LUTHER MCCARTHY (LEFT) AND JIM FLYNN.

LOS ANGELES, Cal., Nov. 11.—Tom McCarey, fight promoter, McCarey experienced but little trouble matching the men, as both were anxious for a chance at the title, so his offer of a \$5,000 purse, to be split 60 per cent to the winner and 40 per cent to the loser, together with a diamond-studded belt, was eagerly accepted.

The winner of the match will probably have to defend the belt in a battle with Al Palmer New Year's day, as McCarey is figuring on this contest as the second event in his elimination contests. Jack Johnson will have no part in the elimination events, as the public and the reputable promoters have tossed him into the discard and so far as both are concerned he is neither fighter nor champion. Both are through with him.

## "NEGRO MURDERS" ARE TOO MUCH FOR JACK

(By United Press Leased Wire.) CHICAGO, Nov. 11.—Jack Johnson, negro pugilist, accused in a federal indictment of violation of the Mann anti-white slavery act, has lost all his bravado today, after his confinement in the bull pen with "negro murderers and other criminals."

## WASHINGTON TO MEET WHITMAN

(By United Press Leased Wire.) PORTLAND, Ore., Nov. 11.—Although no game has been scheduled between Washington university and Whitman college on the gridiron this season, it is certain that these aggregations will get together around Thanksgiving. Both Washington and Whitman have been rolling up big scores against the opposing teams this season and it is figured that the game between these two big colleges will cap the climax for the Northwest in football circles.

## SIR THOMAS MAY VISIT TACOMA

On his way from London to San Francisco where he is to attend the international conference that discusses the preliminaries of the Panama-Pacific exposition, Sir Thomas Lipton, the British yachtsman, is in Seattle today. It is planned to try and persuade Lipton to come to Tacoma before he leaves for the south. He has not given up after all his defeats trying to get the big cup from America and will be after it again if he can make arrangements for another race.

## WHITWORTH TO WORK HARD

Whitworth college football team has a hard time due them this week for they are going to play a double-header, leaving the latter part of the week for Oregon, where they meet the Willamette and Themawa Indian teams. The Willamette game comes Friday and is expected to be a hard one, while the Indian team, which Whitworth will meet on Saturday, is said to be one of the strongest teams in the Northwest.

## HATES TO TRAIN GOTCH TO QUIT

(By United Press Leased Wire.) SAN FRANCISCO, Cal., Nov. 11.—Because of his aversion for training, Frank Gotch, champion wrestler, will retire and take up ranching in California, according to reports here today. Gotch, it is said, has a horror of going through the grind of preparing for a big match. Gotch is going to farm in Southern California.

## FLYNN-MORAN ON FOR BOUT

(By United Press Leased Wire.) SAN FRANCISCO, Cal., Nov. 11.—Making his appearance for the first time since he received several fractured ribs in a battle with Jim Flynn, Charley Miller, the giant motorman, is matched today for a four-round bout with Frank Moran of Pittsburgh here Friday night.

## PRESIDENT JONES ISSUES N. W. AVERAGES FOR 1912

The averages of the Northwestern league for 1912 players shamefully neglects the Tacoma team. However, this was entirely the fault of the Tigers themselves and not of League President Fielder Jones, whose compilations have just been issued. "Cy" Neighbors was the only Tacoma man to pull down a first place in his position. Neighbors led the right fielders with a fielding average of .990. Here are the first ten men in the pitching and batting orders:
