## HUSBAND TRIED TO DEPORT HER

Mrs. Tonka Bujlo, a Hungarian, ordered deported in a trial at Seattle April 7, yesterday filed habeas corpus proceedings before Judge Cushman, asserting that her deportation was ordered as the result of a conspiracy on the part of her husband, who is trying to remove her from the country because she will not live with him. She says she is an honest domestic, and was so working in Seattle when arrested.  
The case will come up today.

## Royal Palace Is Closed For While

LONDON, April 17.—In the house of commons William W. Bann, a liberal whip, and formerly private secretary to Reginald McKenna, home secretary, announced that Holyrood palace, the famous royal palace in Edinburgh, has been closed because of damage done by suffragettes. He added that foreign visitors would be admitted to the palace under certain restrictions.

## YOUR HAIR TURNING GREY OR FADED

Restored Immediately To Dark Beautiful Color By Hay's Hair Health.

There is no need of any one now-a-days having gray or faded hair, or dandruff either, that causes it to fall out constantly. Falling hair and dandruff ruin a beautiful head of hair in no time and gray and faded hair make you look so much older than you really are.

Hay's Hair Health used regularly will bring your hair back to its natural color quickly and more effectively than anything else. It is so easy to use; just apply a little

## PLAN BIG TRIP TO NATIVE STATE

Seven trains loaded with natives of Michigan and now residents along the coast will leave June 27 from the various large cities in California, Oregon and Washington for a homegoing excursion if the plans made by the Michigan society are carried out. ## CLIFF DAVIS NOW RANKS TAYLOR

S. Cliff Davis, chief clerk of the water and light department, is breaking into "literator." Cliff has been ordered by Lawson to write a history of the Tacoma light and water plants, so the world may know what the city has. Cliff is burning the midnight oil, letting his hair grow long to stimulate the artistic temperament, and he expects before he gets through to rank with either Mayard Taylor or Baron Munchausen, and he does not know which.

## IXION TO ORIENT

The Ixion departed yesterday for the Orient with \$500,000 in American merchandise shipped from Tacoma. As she pulled out the Santa Cruz came in from New York bearing 38 passengers and 1,000 tons of freight.

at night, according to directions, and you'll be delighted and surprised at the almost immediate change. Often a single application will do wonders towards restoring the hair to its natural color. People everywhere are using Hay's Hair Health in preference to any other preparation to restore their hair to its dark, beautiful, glossy natural color, because it does it so much quicker and more satisfactory and is so much nicer and cleaner to use.

Druggists will refund your money if Hay's Hair Health is not satisfactory after a fair trial. VIRGES DRUG CO.

## Maybe Eddie Is Coming To United States

THIS IS EDDIE

Eddie Wetton, a regular English boy, is coming to America! Eddie's grandfather was over here in 1859, and folks couldn't do enough for him. They feted him and cheered him and praised him and ran after him as long as he would stay.

Eddie is a young chap not much over five feet tall, rather good looking, very pleasant and as democratic as a laboring man. He's a blonde with blue eyes, red cheeks and big, white teeth. As to accomplishments this English boy—who is coming to see Canada and the Yankees, too, maybe—runs like a deer, manages a bicycle like a trick rider, knows a lot about books, social niceties and nautical terms.

He's a first-class sailor and has the reputation of possessing wonderful tact. Eddie Wetton's proposed destination is Canada. But if Uncle Sam should have one of his frequent spells of hospitality and invite the foreign boy over the borders to see the wonders of the United States—well, if he does, and he's accepted, U. S. girls won't let wind or weather stop them when there's a chance to be in at the reception.

Eddie's chief hobby is to be a REELER boy. He drinks wine, but no beer. He smokes a pipe, but no cigars. His best game is hare and hounds and he delights to outdo every one else in politeness.

By the way, Eddie's full name is—Edward Albert Christian George Andrew Patrick David Wetton.

And he is Prince of Wales, heir apparent to the throne of England!
