CUPID WINGS THE TRAIN, TOO

When Dan Cupid gives orders even the North Coast limited has to stop.
The big train wound out of the union depot here Wednesday night and started for the East. Two minutes later a young couple dashed into the depot and asked if it had gone. It had.
They turned to a more elderly couple and all hands broke for the train dispatcher's office. Then they dashed out, nabbed a taxicab and told him to never mind the city speed limit.
The party got out at Puyallup 20 minutes later to find the North Coast Limited waiting patiently for them.
It was Dr. H. M. Green of Tacoma and Miss Louise Toby of New York who are to be married on their arrival in Gotham and they were accompanied by E. R. Claghorn, manager of the Northwest Improvement company, and wife.
They had all tarried at a farewell dinner too long and the train went and left them.

COMMISSIONER FAVORS NEW HOSPITAL

Dr. Eugene Kelly, state commissioner of health, after looking over the proposed site for the tuberculosis hospital at Spanaway put his sanction on it yesterday and it only remains now for city to work out some plan for turning it over to the county for this purpose.
The county commissioners have agreed to erect a \$15,000 or \$20,000 building if the city will give a 50 year lease.
The objection of certain Spanaway people to having it located there is not based on good reason, according to S. Wade Hampton, who is a booster for the movement.
It will really be an advantage to Spanaway, he says. While there will be no danger of infection it will make a market for Spanaway ranch products.

SOOTHES AND HEALS

Hymel Medicates the Air You Breathe and Gives Quick Relief in Catarrhal Troubles.
Be wise in time and use Hymel at the first warning of catarrhal troubles, he says. While there will be no danger of infection it will make a market for Spanaway ranch products.
Hymel will relieve all curable forms and stages of catarrh. It is so uniformly successful in this common yet dangerous disease that it is always sold on money back if not benefited plan.
There is no other treatment for catarrh that is like Hymel or just as good. None can take its place, none give such quick and sure relief and at so little cost. Its medication is breathed through a pocket inhaler that comes with every outfit, thus reaching the most remote cells of the air passages, killing the catarrhal germs and soothing and healing the irritated mucous membrane.
Begin the use of Hymel today and you will soon find that the offensive breath, the droppings into the throat, the discharge from the nose, sniffing and all other symptoms of catarrh are overcome. The complete outfit costs but \$1.00. Extra bottles of liquid, if later needed, 50 cents at Crown Drug Co. and druggists everywhere.
