

Watch Your Baby These Summer Days

Little Stomachs Get Out of Order Easily in Hot Weather.

During the hot months mothers should look very carefully to the condition of the bowels of babies and young children, and for that matter, it is very important in the lives of people of all ages. Care should be taken that the water is pure, the milk wholesome and the fruit ripe (though not over-ripe), and that not too much of anything is eaten.

When trouble results it is usually in the form of constipation or of diarrhoea. If the child loses appetite, is fretful or languid, and complains of headache, you may look for constipation. Give it a small dose of Dr. Caldwell's Syrup Pepsin at night on retiring, and by morning this pleasant laxative will have acted and the child will be its normal self again.

and gives it to her two little boys; and Mrs. C. C. Allen of New Monterey, Cal., who finds it in every particular just what she and her family need.

SEEK PIANO VALUE NOT BARGAIN COUNTER

Pianos With TONE—Not Mere SOUND—Producers Sold at Reasonable Prices at Silvers.

Do you appreciate Music as an Art? Do you discriminate between Music as a noise-making process and Harmony as a means of culture and refinement? Of course you do. Therefore, in the selection of a piano or a player-piano, something which should last you a lifetime, is it not better to seek for Quality, rather than be misled by the alluring announcements of for instance "\$400 pianos to be sold this week for \$268"—or some other such statement.

High grade Hallet & Davis pianos are within the reach of every buyer since Silvers Piano Co. took over the agency for this celebrated old Boston make. They cost on an average from \$85 to \$100 less than formerly in Tacoma. They are made by the second oldest manufacturer in America, produced in the famous daylight factory, where the most rigid adherence to the highest ideals is steadfastly maintained. Is it not therefore better to buy one of these on our easy payment plan than to patronize the supposed Bargain Counter?

ONE PRICE TO ALL alike, is the motto of this store. Lower prices than would be possible were this not a Tacoma owned store. Not a dollar sent away from Tacoma except to the manufacturers.

See our famous \$300 line of pianos. They will surprise and delight you.

275 GRADUATE FROM HIGH SCHOOL

The largest class in the history of Stadium High school—275 members, graduated Thursday night and the members received their diplomas.

Principal H. F. Hunt said the 275 were all that are left of 600 who entered school 12 years ago. He thought it might be necessary later for the state to compel all to go through high school. He did not believe it essential for all who go through high school to go through college. About 52 per cent he thought would find it desirable.

The program included declamations by the honor students of the class, Miss Elizabeth Shackelford, Miss Ruth Poyns, Stanley Stutz and Leo Gallagher and music by Miss Eunice Prosser was received with much pleasure by the audience that packed the auditorium.

MALE SUFFRAGET STILL LIVES

LONDON, June 20.—Harold Hewitt, the "male suffragette" who flung himself at the head of Traceray, the August Belmont entry in the Ascot gold cup race, is still alive. There is no chance of his recovery. Physicians fear to move him from the hospital at Ascot. Hewitt was a student at Cambridge.

A diary found in Hewitt's room said: "If I fail to stop the gold cup race, I hope I shan't hurt the jockeys. Race crowds bring out all that's worst in humanity. I expect to go out soon, and when I do, I hope to do something useful like Emily Davison."

Students' League

Cushman Indian school students and alumni Thursday afternoon at the annual reunion formed a Cushman students' league with 200 members. It is expected it will have at least 1,000 members in the course of a few months as efforts will be made to gather in all the school graduates.

In the hush of a dim corridor the Roosevelt Hotel, Berkeley, Cal., Hannah Mesow met Emily Houge recently and challenged her claim to the affection of Ernest W. Modene, who lay maimed and brained in an adjoining room after plunging his automobile over a 200-foot bank in an effort to commit suicide because he had pledged his love to both of these women.

Marvelously, Modene escaped death, and the story of his divided love was told.

"I love him and he loves only me, and even if he did make a mistake, I shall forgive him," said Miss Houge, as she faced the other woman at the hospital.

"He loves me and no one else! He asked me to be his wife! He is mine!" said Mrs. Mesow.

Miss Houge barred the door to his room with outstretched arms. She spoke with low intensity, but no word came from the man within.

After nearly an hour of swift interchanges of hot sentences, Mrs. Mesow turned away, beaten.

A will was found in Modene's pocket, leaving his money to Miss Houge.

Both women were waiting for a telephone message from Modene when they received news of his attempted suicide. Mrs. Mesow, who was recently granted an interlocutory decree of divorce, said she had met Modene five weeks previous to his attempted suicide and that he had promised to marry her and take her on a trip to Europe.

When Mrs. Mesow went to the hospital to see Modene, she found that Miss Houge had preceded her, in other words, she "had been beaten to it."

SNAKE THROWS BICYCLE RIDER

BELLEVILLE, Ill., June 20.—Arthur Will was thrown from his bicycle when a five and one-half foot blacksnake which he ran over became entangled in the rear wheel.

TIMBER COMPANY ELECTS OFFICERS

The Weyerhaeuser Timber company at its annual stockholders' meeting here Thursday re-elected the old board and officials with but one exception, John P. Weyerhaeuser being chosen on the directorate in the place of his brother, P. E. Weyerhaeuser, who is on the board anyway as treasurer.

WOMAN AFTER PILOT'S LICENSE

LOS ANGELES, June 20.—Mrs. Florence Seidell, aged 38, will make an attempt on the Griffith park aviation field to qualify for a pilot's license today. If she receives the license she plans to enter in a hydroplane contest on the Great Lakes.

The faculty of Puget Sound university and the friends of President A. Z. Zeller Thursday presented him resolutions of commendation and praise in a farewell reception given him before his departure for a year's travel and study in Europe.

Man Leaps 200 Feet to Escape Women's Love

There are four or five of us old veterans of the battle of Gettysburg in this county who will be in your city at the celebration and if you have a few good widows or old maids who would like to marry and go west, we can accommodate a few. They must be good housekeepers and not too young."

Wishing sash shows latest society fad

WASHINGTON, D. C., June 20.—The wishing sash, which must never be untied until the wish you made while tying it comes true, has come to town under the chaperonage of Miss Dorothy Williams, sister of Mrs. Joseph Lilliam, and one of the most popular belles of the army and navy set. The sash has come in vogue with the other Balkan styles and is most effective when worn with white dresses. With a single reef around the waist the sash drops away below the knee and is tied in a true sailor's knot there. As naval men alone seem to have the knack of tying these knots they are very popular just now.

PASTOR RUSSELL GIVES BIBLES

Pastor Russell, the Brooklyn preacher who tours the country with a train load of Bible students, 240 strong, distributing Bibles and preaching to the people, addressed 1,800 people at Tacoma theater Thursday night.

He especially prayed against the creeds and dogmas of the present churches and denounced the doctrine of "hellfire" vehemently. He says the doctrine of a hell is erroneous, that there is no hell except the grave and that all will live in the grave until the next coming of Christ when the faithful will be resurrected to dwell in joy forever.

Pastor Russell with his retinue of Bible students left for Seattle Friday morning.

DENTISTS ELECT

State dentists elected S. L. Moak of Montesano president of their association at the convention held here Thursday. The next state convention will be held at Aberdeen. Dr. B. E. Lemley and Dr. J. H. Parsons of Tacoma were chosen on the executive committee.

HOG SLEEPS IN HORSE'S STALL

RANIER, Minn., June 20.—A Poland China hog has become so much attached to a span of horses owned by A. Lassard that it sleeps in the big stall the horses occupy and whenever it gets an opportunity it follows them just as a dog would.

Sometimes the hog has been permitted to accompany the span on drives, and apparently the horse is kindly toward it, for it has wandered around their feet without having been hurt.

CHAMPION EGG EATER LOSES

HOUSSETON, Mass., June 20.—Louis Morris, champion fried egg eater of Berkshire, lost his first wager in not being able to eat twenty fried eggs in a contest at a lunch here. After eating seventeen eggs Morris was attacked by acute indigestion and a physician worked over him for an hour before he was restored to consciousness. Morris' record is thirty fried eggs and his green corn record is fifty-four ears.

SHE DRIVES HER HUSBAND TO WORK!

The pretty (see picture above) wife of Representative Fred Britton of Chicago is one of the few matrons of the congressional circle at Washington who drive their husbands to work each day and every workday morning.

VETERANS SEEK WIVES ON OLD BATTLEFIELD

GETTYSBURG, Pa., June 20.—In addition to the spirit of brotherly love which will prevail at Gettysburg battlefield during the Blue and Gray reunion in July, romance may flower where shells screamed and bullets sang half a century ago.

This is indicated by the following note received by J. Allen Holtzworth, Burgess of Gettysburg, from a Civil War veteran at St. James, Mo.

"There are four or five of us old veterans of the battle of Gettysburg in this county who will be in your city at the celebration and if you have a few good widows or old maids who would like to marry and go west, we can accommodate a few. They must be good housekeepers and not too young."
