Bob Albright, Most Popular "Single" on the Pantages' Gives Tacoma as His Home

BOB ALBRIGHT.

The most popular "single" act on the Pantages circuit, and he registers from Tacoma!

Bob Albright, "the Male Melba," is the biggest booster for Tacoma that you can find in the ranks of the thousands of vaudeville actors who visit the Northwest each year.

He has set a new precedent in Tacoma, also, because of his popularity. He is the only "single" that has played on the Tacoma

Pantages stage four different times. He has played a solid two weeks' engagement in several of the larger cities of the circuit. And here is Bob's reason for his popularity. "It don't cost a darned cent to be a good fellow, and it's a mighty good policy."

Bob was given the surprise of his life last evening—or at least, it was scheduled to be such. Nearly 100 members of the Conversation league attended the show. At the second performance Ted Alfred, well known cigar dealer, walked up to the stage with a beautiful head of cabbage for Bob, tied up in tasty ribbons, and every member of the league shied paper ribbons and confetti at the singer.

But Bob had been given an advance tip. While Ted Alfred was handing up the head of cabbage, Bob handed down a miniature bull, with a pink ribbon around its neck, and presented it to Alfred as a prize for his ability to "peddle the con." Alfred and Albright are intimate friends of many years.

Bob is a charter member of the Tacoma lodge of Moose. And for nearly a year now he has been registering with Tacoma as his home, and has claimed this city as his residence, because on his next visit here he will be initiated into the Tacoma lodge of Elks, No. 174. Bob would have been initiated Wednesday into the lodge, but it was found that he had not claimed Tacoma as his home for the required length of time.

GERMANS ESCAPE OWN THEIR OWN

LITTLE ROCK, Ark., Jan. 23.—No more will the common shaving cup and brush be seen in Arkansas tonsorial parlors. On January 1 a law became effective making it imperative that the barber or the customer furnish a cup and brush for each individual shaved.

CASH REGISTER INVENTOR DIES

DAYTON, Ohio, Jan. 23.—John Ritty, credited with inventing the cash register, died in the home of his sister, Mrs. Thomas Cooper, here. He got his idea of a cash register from watching the distance recording device in the boiler room of an ocean liner.

Davis was graduated from Yale last year, and during the commencement exercises, in June, was taken into custody after his automobile had knocked down Mary Reardon. Davis went to Austin, Tex., announcing that he would be on hand when the case was called.

To Poison Her

NEW YORK, Jan. 23.—Alois F. Kerkion, treasurer of a chemical company, reported to the police an unsuccessful attempt by someone to poison his sister Margaret with the needle of a hypodermic syringe. See the Wonderful Cushion Corner Spring In Our Window

The distinctive feature of The Cushion Corner which marks its superiority over the old styles of bed springs now in use, consists of highly tempered compression springs so placed in the four malleable corners as to combine with the springs supporting the top in producing a level, non-sagable, bed-body which responds readily and easily to any weight placed upon it.

WILL NOT SAG
SCIENTIFIC
The Cushion Corner
RESILIENT BED SPRING NOISELESS
LUXURY AT A LOW PRICE

THE CUSHION CORNER has every advantage of the best box-spring at from one-half to one-third the price, and possesses the added advantage of being absolutely sanitary, and more easily kept clean.

THE CUSHION CORNER cannot sag or hammock—it has individual tension so that the weight on one side does not affect the other—it is perfectly noiseless—it is artistic in its proportions, and as there is scarcely any limit to its wearing qualities (made of steel) it should commend itself to all who realize that sound, restful sleep is essential to good health and that a good bed-spring is an important factor in securing it.

We will be pleased to demonstrate the many good qualities of this twentieth century bed spring, and the price is so low that it should be in every home where quality and comfort are appreciated.

To introduce this spring we will allow you \$2.00 for your old spring (no matter what its condition) in exchange.
