

BIG SPECIAL FEATURES IN THE WORLD OF SPORTS BASEBALL BOXING HONEYMAKERS STING TIGERS AFTER A DOZEN STANZAS

FRED M'MULLIN IS TIGER STAR; IRON MAN BUYS CATCHER BROTTM

BY SNOOP. (Special Correspondence.) VICTORIA, B. C., April 25.—With salty tears of sorrow and regretful sighs, it must be confessed that the Tiger pitchers are not like Limburger—strong, although the pitching of one or two of our hurlers has been reminiscent enough of cheese. Most of our heavers just at present resemble a glass on a hot stove—they are apt to crack at any moment. The antiquated Mr. Kraft, that arch-enemy of the demon rum cracked yesterday. Several days ago the same David had turned the honey of the Bees to gall and wormwood, but, alas, that was several days ago. One day you are a hero—the next you are a bum, as Shakespeare aptly said. The game lasted through 12 innings, although Mr. Kraft did not. Jerry Girot succeeded him in the ninth and Jerry proved fragile enough. After Tacoma, through the untiring efforts of one Fred McMullin, had accumulated a lead in the twelfth, Jerry promptly stuffed the hassocks and yielded Heine Zim a blow—good night, thank you. Young Steele of the Wasps was in danger many times himself, but his teammates were luckily able to belt the Tacoma curvists. Heine Zim was the star with the lath, lacing out four singles. McMullin, who relieved Yohe in the eighth, capped two singles and a triple in three tries. Butler played second base acceptably. Skin Harris made some personal remarks to Empire Sluister in the eighth and was forced to depart from the lot as a result. Young Elliott caught nicely after his departure. Tony Brottem, the Parkland boy who has been backstopping for the Bees, was purchased last night by the Iron Man.

OLYMPIA MEETS STADIUM HIGH ON TRACK The first interscholastic track meet of the season will be held this afternoon at the Stadium High and Olympia will meet. The followers of the Blue and Gold are confident of victory, but it is expected the Olympians, particularly in the weights, will make it warm in some events.

Colts Crushed SPOKANE, April 25.—Holding Portland to three hits, Gregg easily won his game yesterday for the Indians. Wuffill starred with two triples and a steal of home. Stanley was hit fairly hard. The score was 4 to 1.

BROTHERS IN BATTERY

BY HUGH S. FULLERTON The Boston Braves this year have a battery composed of two brothers, George and Fred Tyler. This is the first time in the history of modern baseball that such a combination has been seen. George Tyler, the pitcher, is one of the best of the left-handers when properly handled. Catchers who have worked with him declare he is the hardest pitcher to catch they ever worked with. Manager Stallings was seeking to better this condition and asked George what catcher he worked best with. George remarked: "My brother Fred catches me better than anyone I ever had." Without a word Stallings sent out orders to get Fred Tyler, and he was brought into camp. He lacks experience, but is strong, heavier than George and promising. The Tyler brothers recall Martin Walsh, who was a brother of the famous Chicago pitcher. One spring Martin was tried out by the Chicago Cubs, in the hope that his immense strength could be utilized until he could pitch as well as Ed. The first night out on the spring training trip Martin grew confidential. "I have it all fixed," he said. "The White Sox and the Cubs will win the pennants in the different leagues and play for the world's championship. Ed and I will pitch against each other in the opening game. Lots of the fellows at home think I'll beat him, and the K. of C. bunch is coming to see that game. I invited them."

NEWS AND NOTES OF THE AMATEURS

BY "HEP" The Tacoma Federals will have a hard game tomorrow. They meet St. Martin's college on the home grounds of the latter. The Parkland team will play a double-header tomorrow. In their first game they will tackle the Beutel Business college and in the next they will meet the Lakeview A. C.

The newly-organized Tribune team plays its first game of the season tomorrow with the Fern Hill nine. The game will probably be played at Sales' Stadium. A number of players have withdrawn from the Badger team and will form a nine of their own. No name has been decided upon yet for the new team.

Bruce Grant and Allen Brown are shifting around a good deal this season. Last Sunday they played with Enumclaw. Nick Dahl and Dally were the points for the same team.

"Red" Reid, the big outfielder of Enumclaw's nine, is a terrific hitter and a good pitcher. A plan is on foot among some of the veterans who made Fern Hill one of the fastest teams in the city a couple of years ago, to reorganize the old team. Among some of the men who will likely play are Bill Strong, Neil DeMarais, "Red" Cadry, Andy Nelson, George Baird, "Moose" Clark and others.

THE LITTLE TIGERS play a practice game tomorrow. YEE WO CHINESE MED. CO. No. 1134 1/2 South C St., Tacoma, Wash. I have been suffering from chronic stomach troubles for years and found no other medicines could cure me until I began to take Yee Wo's Chinese Remedy. Before I commenced taking his remedy I could not eat anything. Now I can eat anything. Besides, I feel well. So I wish to write him this letter to show the public that what he has done for me he can do for you. Respectfully, W. J. BAKER, No. 1441 Fairbanks St., Tacoma, Wa.

FIVE MATCHES SIGNED FOR EAGLES

Five of the six bouts on the card of the Eagles' smoker have been signed up. The last match to be made was between Pat Dorain, the big Seattle light-heavyweight, and Jack Sutherland of Houqiam. A good bout is expected between these two. Joe Bonds and Larry Madden of Portland will meet in the main event. Madden is a big fellow and is expected to make things interesting for Joe. Bonds, however, hopes to keep up his string of victories. The match between Franchy Vaise and Paul Steele is also arousing a great deal of interest. Steele is working hard for the match because he realizes that he will have his hands full with the classy lightweight from Renton.

FULLERTON FLASHES

When a fellow of 40 sees a fellow of 20 "having fun" he is glad he is 40.—James J. Callahan. Just our luck! We got a hot tip on the third race at Tulsa and the militia shot at the horses in the first race and broke up the game. That fellow who is trying to pry \$2,000 out of C. Webb Murphy's hoard is optimistic enough to attempt to get the dirt off an office boy's hands. Charlie Ebbebs says he would not have Tinker on his team. Not for \$10,000. Twenty years ago, April 15, Captain Anson predicted that Chicago would win the pennant. His prediction came true—thirteen years later.

Some folks never take a hint. Ten bookies in jail and racing stopped at Jamestown; militia firing over the horses to stop them at Tulsa, and they open at Havre de Grace. Class in pugilism, now conjugate: Willie Ritchie, Willie Ritchie, Willie Ritchie. Now that the Reds' grounds are "dry," those fans who had such good control of those steins will have trouble controlling pop bottles. First Inning—Huerta out, Villa to Mayo to Wilson.

From Grocery Clerk to Star From grocery clerk to diamond star was the short cut to fame taken by "Pop" Young, sometimes called "the fastest shortstop on the Pacific coast." Young's father owns a large grocery store in Philadelphia and "Pop" was playing ball against the wish of his parents. Young, sr., offered "Pop" half interest in the store if he would quit baseball and at the close of the 1914 season "Pop" suddenly changed his mind. He took his bride to the coast and is again holding down the job at short for Sacramento. During the 1913 season Young handled an average of six chances a game. He bats both right and left-handed and is a speed burner on the bases.

Will Be Judge

Casper Whitney, along with Walter Camp, James E. Sullivan and others, will be judges at the Pennsylvania relay races, April 25. All the big colleges of America as well as Oxford, England, will be represented and many records will go by the board, and with so many well known officials on the job these records should stand.

DAILY GRANAYGRAM VANITY GETS A JOLT Told by Eddie Graney, Tuxedo Referee.

I regard all haberdashers with suspicion. I think those who display alluring silk underwear for men in their show windows ought to be arrested. In fact, arrest is too good for 'em! I was once inveigled into buying one of those \$10 garments. In a moment of vain weakness. And when the salesman said, "Eddie, you'll look and feel just grand in that," I thought he was my friend. I wore it the night I refereed the Corbett-McGovern fight. My humbling came through the apparently irrelevant fact that I allowed the boxers to defend themselves at all times. They had agreed to do everything but bite and kick. Right away, in a break, I got a belt in the mouth that loosened a tooth. And then a side-swipe tore away half my shirt, exposing that beautiful \$10 purchase, contrasting darkly against my arms and neck. It received instant recognition! "Hey, Eddie," came a yell from the gallery, "didn't you have time to take off the old blacksmith togs?" "What's the matter, Eddie—in mourning?" from another. And so it went until I was so rattled that I got another good wallop in the jaw. The gang honestly thought I had on my old 'smithing garb. Thus was my vanity punctured. Yes, sir! They ought to be hanged—those haberdashers!
