

YOUR SICK CHILD IS CONSTIPATED! LOOK AT TONGUE

If cross, feverish or bilious give "California Syrup of Figs."

No matter what ails your child, a gentle, thorough laxative should always be the first treatment given.

If your little one is out-of-humor, half-sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that it's little stomach, liver and bowels are clogged with waste.

Mother, can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs;" then see that it is made by the "California Fig Syrup Company."

INVENTS LAMP

Joseph Markson, well known Tacoma inventor, who last year gained distinction by inventing an armored protection cage for express messengers on trains, left today for the east in the interests of his newest invention—a swiveling lamp bracket for automobiles.

CHARITY BAZAAR STARTED TODAY

Society girls are yelling "cash" and society men are "hopping counters" in the interest of the new charity store being conducted this week at 710 C street under the auspices of the Associated Charities.

"We have two big objects in view," explained Mrs. William Jones, who holds the title of store manager. "One is to raise some money for the Associated Charities. The other is to help clothe the people, who have a little money left and who wish to buy good and serviceable clothes without paying big prices."

The charity bazaar has on sale almost everything from a "needle to an elephant." The sons and daughters of the idle rich went through their wardrobes a few days ago and sent their "only worn once" dresses, shirts, coats, shoes and other paraphernalia to the charity store.

Rehearse For "Nobody Home"

Have you ever been stage struck? Have you ever wanted to develop that latent talent which you feel sure needs but the opportunity? The opportunity is knocking on the door of a number of young Tacoma high school graduates who are expected to take part in the musical comedy review, "Nobody Home," which will be presented at the Tacoma theater November 25 and 26.

As rehearsals are already under way, most of the best parts have been taken, but there are still positions in the chorus and some of the smaller speaking parts may be obtained by attending the nightly rehearsals which are held in the parish house St. Luke's Episcopal church, South Sixth and St. Helens.
