DeKoven Beats

Playing at the Y. M. C. A. last night the DeKoven Hall senior basketball team won from the Swastika club of the Y. M. C. A. by 33 to 23. It was a fast game throughout with Houser, center for DeKoven, playing sensational ball.

1915 Contracts Going Out Soon

Who are the lucky players who will have an opportunity to sign up contracts to play with the Tigers this year?

Russ Hall won't tell, and he's the only man who knows much about it. Hall has 14 players on the reserve list from last year. He must send contracts to them by February 1, or the reservation is legally ended.

The Tiger manager is preparing next week to send out some contracts. He won't tell whether

he will send one or fourteen, and no possible way has been found yet to extract any information from the big Kestonian.

"All I can say is that I've got some corking good players in view, and that if we can come to terms and stay within the new salary limit, Tacoma will have a splendid team," says Russ. "I'd like to tell the fans all I know, but if I announced my prospective players, some other club might beat me to it, and grab the players first."

SPORTING ONCE-OVERS

Strange we haven't heard of Jim Corbett picking up another white hope in California.

Aberdeen fans subscribed \$5,000 worth of stock in one afternoon for securing a franchise down there. Tacoma fans with this as an object lesson, ought to buy up that \$15,000 worth of Tacoma stock without further delay.

Mike Lynch, who suffered the fracture of a bone in his elbow last season, when a pitched ball hit him, is in good condition again. His arm is just as good as ever. But Mike would rather umpire than play this year, if the league magnates would just as soon let him.

Twenty-nine fouls were registered in one basket-ball game in Chicago, indicating that basket-ball is getting to be quite a game.

Carranza is kicking about the staging of the Johnson-Willard fight at Juarez. The funny thing is that the people of Juarez haven't held a mass meeting and condemned the match.

Maybe the Tacoma cops would organize a baseball team after they start their Y. M. C. A.

courses. 'Twould be great fun to see Captain Reed running backwards after a long fly, or to watch a pitched ball dent Chief Loomis' stomach and bounce out into the field again.

An American dollar is worth \$1.05 at Bern. Evidently they have money to Bern.

Willard is taking up columns of space telling why he's going to win. It would take me about five words to tell why he isn't going to win. And I am boosting for a white hope who can lick the negro, at that.

GAME LAWS ARE WELL LIKED

OLYMPIA, Jan. 15.—Game laws in Washington are more popular with the sportsmen and are being lived up to with more cheerfulness than ever before, according to the report of R. B. Wales of Spokane, Eastern Washington state deputy game warden, to the game hearing in session here today.

Unnatural History

The Dodo was wandering around Extinctionville arm in arm with the Dinosaur. They were extremely lonely and wanted to find someone to make a third hand at 500. Suddenly they came upon a strange-looking animal. It was carrying a score card and was busy doping out whether Zack Wheat or Burns drove home the most runs.

JAPS TO EXHIBIT

The large Japanese colony of Tacoma will be given a prominent place in the coming Sportmen's Show, as will the golfers. A section of the show will be reserved for Japanese contests and games, while golfing contests from an indoor teeing ground will be a feature.

Boxers Must Be In Training

Any youth who boxes at the Armory in the future must take athletic training for a considerable period in advance and must pass a rigid medical examination before putting on the gloves, according to a new rule put in effect by James Carroll, physical instructor at the Armory.

Midgets Win

The Midgets of the St. Leo's Boys' school defeated DeKoven Hall at basket-ball yesterday afternoon by a score of 16 to 12. A. Pessemier was the star for St. Leo's.

Charles Cutler

He has accomplished it by a series of simple exercises within the reach of every man and boy in his own home. These exercises will not require more than five or ten minutes a day! And they will show results in a few months.

No gymnasium apparatus is needed. The methods are simple and open to every man, woman or child.
