**REAL ESTATE**

**LAND LAND LAND**  
**80 ACRES**, HERE'S YOUR CHANCE  
80 acres, some improvements, some tools, team, harness and wagon, at \$300 per year.  
I have just listed from the owner, 80 acres of the finest kind of silt clay land, no gravel, in Lewis county, which is one of the cheapest buys I have ever had listed.  
This land lays 3 1/2 miles, by good county road, east from Centralia, Washington, a fine little city of 10,000 to 15,000 inhabitants, fine churches and schools, paved streets and street cars, and fine markets for all farm and dairy products.  
The owner of this 80 acres is forced to sell as he owns a berry farm here in the valley and he cannot handle the two places at once. He has spent the last couple of months fencing the 80 acres and has several acres cleared and several more surface cleared. The whole 80 is seeded to clover and timothy.  
There is a fair 3-rm. house on the place, good well of water and an old shed or two, a large team of horses, weight 4600, go with the place. Also harness and wagon and all tools for clearing land; also 15 boxes of stump powder, worth \$25.  
I have seen this land and can say that the soil is the best I have ever seen, and there are fine farms on every side.  
**NOTICE THE PRICE AND TERMS:** Price only \$2500 for everything, with only \$500 cash, balance \$2000 per year at 6 per cent interest. Get busy and look this up.
