OI! OI! Did you ever see anything like it in your life? Such a game! Such a awful game! Fourteen to eleven for Victoria. Six errors for Tacoma. Three pitchers for each team.

Such a game! Yesterday we explained why Tacoma lost the Wednesday game, saying that our Tigers couldn't play with a busted infield. But explanations for yesterday's contest are lacking.

Everybody clouted the ball. Most regularly somebody muffed a nice one. The pitchers simply couldn't put anything on the pill that would land it safely in the catcher's mitt. As for excitement—well, that game had more thrills to the minute than the most melodramatic seven-reel, blood-and-thunder film that ever hit the Northwest.

Victoria started the game by getting three in the first. And they didn't get 'em lawfully. Frambach walked one of the men who scored, the other two got on bases through Tony Boeckel's butter-finger fumbles.

Hunky Shaw muffed Wilson's centerfield liner in the first, and Wilson circled the bags, bringing Grant with him. Then in the second the Tigers clouted the ball four times and worked a double steal, to the tune of five tallies. It looked like another "Good night, mother, wake me early!" game for Tacoma.

But in the fourth, OI! such a headache. Izzy Kaufman had replaced Frambach and was doing good work up to that inning. Then he weakened. Four hits netted the Maple Leafs three more scores. In the sixth four more hits and an error gave the visitors four more. Tacoma had made three mean whiffs, and the score was tied, 10 to 10.

Bill Melvor replaced Kaufman. Mac lasted nicely for one inning, but in the eighth he succumbed, allowing three bingles and three more runs. Victoria made another in the ninth, just to show that they could do it.

Let's be philosophical, anyway, folks. You know we couldn't expect our team to win every game. The score:

GOLF TOURNEY ON TOMORROW

Women of the Tacoma Country & Golf club will commence tomorrow on their annual spring championship contest, a week's event that has become an annual classic at the club. The qualifying round will be played tomorrow, and championship matches will continue all week.

Barney Driving Car Built in War Country

Barney Oldfield and the inevitable cigar will be seen in the 500-mile classic at the Indianapolis speedway this year. But Barney isn't going to drive an American gas-eater this time. He has picked out a Bugatti—a car which is built in Alsace-Lorraine, in territory recently recaptured by the French. The car was used on the coast without great success but Oldfield expects to show something with it.

He's Whole Show

SEATTLE, May 7.—Lotz, who came this week from St. Louis, was the whole Seattle team yesterday. He fanned seven, accepted eight errorless chances, and drove in two of the runs. The score: R H E
Aberdeen 0 5 4
Seattle 3 6 1
Batteries: Hughes and Lewis, Lotz and King.

Holds 'em Down

VANCOUVER, May 7.—Spokane nosed out a victory in the eighth inning yesterday, preventing the Beavers from sliding into the league's first place. It was a heavy hitting game, with some sensational luck plays. The scores: R H E
Spokane 4 11 2
Vancouver 3 8 2
Batteries: Callahan and Altman; Reuther and Brotten.

Sophomores Win

Stadium High sophomores took practically every event in last evening's four-cornered track meet in the stadium, coming out victor with 56 points to their credit. The juniors had a total score of 32 points, taking mostly on seconds and thirds. Morgan, the sophomore captain, was the afternoon's star, making the 220-yard dash in 23 3-5 seconds.

Right off the Bat

club star, and well known Tacoma amateur, is playing third in place of Heister, who has a strained leg. Grant played a nice game yesterday. He got excited in the first inning, and tried to peg Shaw out at home, but made a bad throw. Outside of that,

Anyone who saw Charlie Stevens hitting last year, would hardly recognize the big player this season. In 1914 he couldn't hit a toy balloon if it was held in front of him. This year he is the hitting fiend of the team. He was up at bat five times yesterday. The first two times he got singles; the third time, a three-bagger; the fourth time a double; and the fifth time Hansen deliberately walked him rather than let him hit the ball.

On the other hand, look at Butler. That boy is a wizard at short. You can't beat him in the league. He scoops up anything within a city block of his station. Last year he was a dependable hitter. This year he can't hit a thing. His single yesterday was the first hit he's made in a week.

The official scorer credited Wilson with a home run in the first inning. We differ with him. It was a clean hit over second, but it was an easy grounder by the time it reached Hunky Shaw in center field. Shaw let the ball go through him to the center corner of the lot, and Wilson scored, bringing Grant ahead of him. The hit wasn't worth more than one bag, had it not been for Hunky's error.

WITH AMATEURS AND SEMI-PROS

It's ladies' day this afternoon. The lady fans are patronizing the Tigers more than ever this year. A capacity crowd is looked for today.

BY DICK HILL

OLD BATTERY BACK
Roy has her old battery back again, Murray and Benson. Both are corking good players. Murray formerly played with the Stadium High team.

LOST GOOD ONE

Tacoma amateur teams certainly lost a good player when "Red" Alberts went to Auburn.

GETTING BETTER

Eley of South Tacoma is getting better right along. He struck out 17 and allowed only one scratch hit in his game against DuPont Sunday.

CLEANERS GET GAME

After a hard seven-inning battle at the Stadium Wednesday evening, the Boston Cleaners triumphed over the fast Oakland team, to the tune of 5 to 4. The feature of the game was the crabbing of Jack Walgras, shortstop. Raycraft played a nice game. The batteries were: Oakland, Mattison and Severance; Cleaners, Raycraft and Magill.

SUNDAY GAMES

Here's some of the amateur games scheduled for next Sunday: (We'll print notices of all your games if you send them in): Foresters vs. Yelm, at Yelm. Boston Cleaners vs. Parkland A. C., at Parkland. Hopkins A. C. vs. Sumner, at Sumner. Keynotes vs. Pacific City. (All members take 12 o'clock interurban.) South Tacoma Tigers vs. Roy, at Roy. Oakland vs. Wilkeson. Two large auto trucks will take the party. Oakland girls will go and furnish picnic lunches.

LOOKEE, BALL PLAYERS

Don't forget the big dance at Carbonado Saturday night, May 8. You will enjoy yourself. There'll be a "big feed."

WITH OAKLAND

Hoag Nelson and Russ Moody of the Nationals have signed with Oakland for the remainder of the season.

"BERRY KING"

Walter Holmberg, manager of the South Tacoma Tigers, is known as a berry king. He has been out to Puyallup during the last few days.

"BRICK" IS THERE

"Brick" Berghelm is playing

This is Charles Blow, of Dundee, Ill., who tips the age scales at 94 years. He blows it today, and always has been, a man who smoked his pipe liberally—and enjoyed it mightily. He blows quality for the Prince Albert "old-time jimmy-pipe" club and has been elected to full-fledged membership. We would like to hear from other old-time smokers.

Put your ear close to the ground

every time you see a man drawing real joy out of a jimmy pipe, for it's better than a five-to-one shot he's smoking Prince Albert, the tobacco high spot.

You, like a whole lot of men, never will know what a barrel of fun can be dug from a pipe or a makin's cigarette until Prince Albert passes your piazza!

For it can't bite your tongue, and it can't parch your throat. That's why men the nation over know their business when they demand

PRINCE ALBERT

the national joy smoke

You should know this brand is made by a patented process that removes bite and parch. And let it drift in that you can fire-up P. A. until the cows come home and it just won't make your tongue tingle!

So, you men with a sad pipe past, come around sometime and sort of get acquainted with Prince Albert. Let the light of jimmy-pipe joy break into your soul. You'll wonder why you didn't wake up earlier and hear the robins sing in the old cherry tree.

Get started on the tidy red tin, then you'll graduate to the crystal-glass pound humidor with the sponge-moistener top that keeps your P. A. fine like silk. A lot of men do that thing!

Buy P. A. in any neck of the woods. So tidy red bags; the tidy red tins; handsome pound and half-pound tin humidors—and that classy pound crystal-glass humidor.

WHY ARE ALL THE MEN YELLING AT THAT MAN IN THE BLUE SERGE SUIT?

THE BUGS THINK THEY ARE IN THE COLISEUM AND HAVE THEIR THUMBS TURNED DOWN FOR THE AMBULANCE TO COME AND TAKE HIM AWAY BECAUSE HE FAILED TO SEE THE LEFT TACKLE HOLDING THE CAR TOO LOW FOR THE DISCUS THROWER TO DO THE HOP SKIP AND JUMP!

SHE ASKED ME WHY THEY CALLED THE CATCHER SHIT!

OH! GIVE ME AN I SWOON!
