HELP-FEMALE ABDOMINAL SUPPORT CORSET

The support feature is instantly removable and can be worn with or without the corset.

The cut below shows the corset and support as worn together.

THIS IS THE MOST PERFECT AND APPROPRIATE REDUCER ON THE MARKET TODAY. It carries the weight in the chest instead of the hips, and protects the abdomen from undue strains. This feature is very important from a medical standpoint.

PERSONS SUBJECT TO RUPTURE OR WEAK STOMACH are enthusiastic in their praise of this support.

We advise the purchaser to order two supports, for the purpose of changing, as they are washable, the same as any other garment.

ACTUAL VALUE, \$2.50. SPECIAL FOR 30 DAYS, THIS REDUCER, \$1.00.

This bonafide sacrifice should be taken advantage of at once. In ordering give light waist measure and light hip measure, 7 inches below waist line. Remit in cash or money order. Enclose 15 cents extra to cover parcel post.
