REAL ESTATE

Eight Reasons WHY YOU SHOULD BUY OUR MOUNTAIN ROAD LAND.

1—Location.
Only 50 minutes from the center of Tacoma by auto. A fine paved road nearly all the way.

2—Surroundings.
Not like going into the wilderness, away from everybody, but right next door to a settlement of prosperous farmers, who own improved land. Only 1/4 mile from a store, school and church.

3—Transportation.
A very important item. There are several passenger auto busses going right by your front door on regular schedules, also regular freight transportation and a cream route at your service.

4—Soil.
Highest grade shot clay soil. Very free from rock and gravel.

5—Topography.
This land is almost absolutely level.

6—Price.
From \$25 to \$75 an acre. One-half the price of other land of the same quality and within an hour's ride of the center of the city.

7—Terms.
Only \$1.00 an acre down and \$1.00 an acre monthly. Interest at 6 per cent.

8—Our Judgment
is back of you. We selected this land four years ago, when we had all the country to pick from. This land was in our opinion the cream of the country. The way it sells is proof of that.

Whether you wish to buy for investment or for a home you can not make a mistake in buying a tract at once. You will never miss the \$10.

Wilson obtained a divorce two months ago, is said. Yesterday he appeared before Judge Evans in police court and swore to a warrant charging his former wife and McFarland with a statutory offense.

H. W. Croft and E. J. Croft, proprietors of the Croft hotel, supplied \$500 bail bond for the release of Mrs. Wilson and McFarland. They will be tried in police court Thursday.
