MUSIC FEATURE AT PANTAGES

There's more high class music on this week's Pantages bill and more nonsensical humor than Manager Timmons has provided in his several weeks past. The music is furnished by the Lombardi Quintet and by the Santucci trio.

Other acts on this week's bill are many and varied. The Bottoley troupe has a trampolines act that is a thriller. Howard and White score big in a travesty feature. Billy Chase is back in his blackface makeup, with a new line of chatter. Mlle. La Jolie's posing pets—three dogs and a pony—present a pleasing picture.

A new installment of "Neal of the Navy" completes the bill.

AT ONCE! STOPS STOMACH MISERY AND INDIGESTION

"Pape's Diapepsin" makes sick, sour, gassy stomachs feel fine. Do some foods you eat hit back—taste good, but work badly; ferment into stubborn lumps and cause a sick, sour, gassy stomach? Now, Mr. or Mrs. Diapepsin, jot this down: Pape's Diapepsin digests everything, leaving nothing to sour and upset you. There never was anything so safely quick, so certainly effective, no difference how badly your stomach is disordered you will get happy relief in five minutes, but what pleases you most is that it strengthens and regulates your stomach so you can eat your favorite foods without fear.

Most remedies give you relief sometimes—they are slow, but not sure. "Pape's Diapepsin" is quick, positive and puts your stomach in a healthy condition so the misery won't come back. You feel different as soon as "Pape's Diapepsin" comes in contact with the stomach—distress just vanishes—your stomach gets sweet, no gases, no belching, no eruptions of undigested food, your head clears and you feel fine.

Go now, make the best investment you ever made, by getting a large fifty-cent case of Pape's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder.

A WAR STORY THE CABLES CAN'T TELL

Staff Photographer Darborough, who took this picture, writes: "Sights like these are everywhere in Russian Poland. We were driven ahead of the Russian army retreating from Warsaw, and when they could no longer keep up with the army they were on the roadside. Later, when they traveled back home, they found the Russians had burned everything as they went."

CHILD'S TONGUE BECOMES COATED IF CONSTIPATED

When cross, feverish and sick give "California Syrup of Figs."

Children love this "fruit laxative," and nothing else cleanses the tender stomach, liver and bowels so nicely. A child simply will not stop playing to empty the bowels, and the result is, they become tight-lipped, clogged with waste, liver gets sluggish, stomach sour, then your little one becomes cross, half-sick, feverish, don't eat, sleep or act naturally, breath is bad, system full of cold, has sore throat, stomach-ache or diarrhoea. Listen, Mother! See if tongue is coated, then give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated waste, sour bile and undigested food passes out of the system, and you have a well, playful child again.

Millions of mothers give "California Syrup of Figs," because it is perfectly harmless; children love it, and it never fails to act on the stomach, liver and bowels. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Beware of counterfeits sold here. Get the genuine, made by "California Fig Syrup Company." Refuse any other kind with contempt.
