# THEDA BARA

In Her Life's Triumph—

So Far Above All Other  
Screen Productions  
That There Is Nothing  
to Compare With It

### Investiture—

Past all precedent in pomp and lavish splendor  
—breathes the true spirit of ancient, pictur-  
esque Spain, the home of legend and romance.

### Magnitude

Brigands in mountain thick-  
et and ravine rendezvous;  
bold, dashing galaxies of  
dragoons; pretty grisettes  
and proud grandees; dark  
beauties of the tambourine  
and rattling castanet; smug-  
glers, contrabandists and  
coast guards in combat and  
chase; tribes of real Anda-  
lusian Gypsies, their dances,  
ceremonies, rites, magic,  
incantations and superstitions;  
the Seville festa and  
bull fight; Cordova's Azure  
baths; Carmen's shuddering  
fight with the cigarette girl;  
Jose in ecstasy and in exile;  
prisons, cigarette factories,  
cities, palaces, cathedrals,  
plazas, armies of soldiers  
and their barracks.

Sunday
