

"I wonder why my back is so weak."

Every Picture Tells a Story

Be rid of that ache!

DON'T worry and complain about a bad back. Get rid of it. It's a sign you haven't taken good care of yourself—been eating wrong things and haven't had enough air, exercise and sleep. Probably this has put your kidneys a little out of order. Get back to sensible habits and give the kidneys something to relieve them. Then, if it's kidney back-ache, you'll soon be over it, and the dizzy spells, lameness, stiffness, tired feelings, nervousness, rheumatic pains and bladder troubles will go, too. Use Doan's Kidney Pills. Others have tried them and proved their worth. Plenty of cases right here in Tacoma.

Tacoma people tell how it's done.

Yakima Street	East C Street	South E Street
E. Hovland, 2224 Yakima St., says: "I have found Doan's Kidney Pills to be the best medicine I can get for pains in the back and other symptoms of kidney complaint. Whenever I have any sign of this trouble, I take a few doses of Doan's Kidney Pills and they soon relieve me."	Mrs. D. Mason, 2715 East C St., says: "I had a dull, heavy ache in my back. This was soon followed by severe headaches and dizzy spells and my back got lame and weak. The kidney secretions bothered me and I felt tired and worn-out. After I had used a couple of boxes of Doan's Kidney Pills, all the troubles left me."	S. C. Calkins, railroad switchman, 2133 South E St. says: "I had a dull, heavy ache in the small of my back. When I tried to straighten, pains darted through me and my back was very lame and sore. I had dull headaches, too. I used Doan's Kidney Pills and they relieved all this trouble."
South I Street	S. Prospect Avenue	S. 41st Street
Mrs. Jane Decelle, 1206 South I St., says: "My back bothered me. I also had a dull, heavy ache across my loins and I suffered from headaches and dizzy spells. The secretions from my kidneys were unnatural. I tried several medicines, but didn't get much relief until I used Doan's Kidney Pills. They soon fixed me up all right."	L. L. Greenleaf, policeman, 7012 S. Prospect Ave., says: "Kidney and bladder trouble came on me suddenly and I thought I would drop from torturing pains. I knew from the appearance of the kidney secretions that my kidneys were in bad shape. Doan's Kidney Pills gave me quick relief and before long I was cured."	Mrs. P. Sullivan, 1924 S. 41st St., says: "I have found Doan's Kidney Pills to be a fine medicine for a weak and lame back, and trouble with the kidney secretions. Doan's Kidney Pills helped me right away. I still take them once in a while and they keep me in good health."

A Door Was Locked

When, several years ago, 147 girls were burned to death in a shirtwaist factory in New York, BECAUSE A DOOR WAS LOCKED, we all shook our heads and said: "It's too bad, but it's taught us a lesson! It won't happen again!"

Well, gentle reader, it did happen again. Here's the evidence.

See that charred trap-door, the flame-licked stairs, the big hole rent by a fireman's ax? **BEHIND THAT DOOR TWELVE PERSONS DIED—BECAUSE THAT DOOR WAS BOLTED.**

Eight girls, humble employes—of the Diamond Candy Co., in Brooklyn; four men, honest and capable husbands and fathers—sacrificed on the altar of human carelessness and inhuman greed!

Above that door was the fourth floor of the factory firetrap—a raging furnace of death.

Below that door was the avenue to safety through which those twelve workers could have fled.

On that door was the cruel steel lock that kept them in a flaming hell.

Oh, well—"It won't happen again!"

BUY AT HOME

The Truth

Remember this—When you buy away from home you are doing for another community what you should be doing for your own, while every dollar you spend in your home town circulates and leaves a profit in every hand that receives it.

There is just one absolute fact, and that, to Patronize Home Industry is a duty every citizen owes to himself and those he loves.
