

DAMAGED GOODS  
FILM TO RUN  
ALL WEEK

Richard Bennett in a scene from "Damaged Goods," which runs all week at the Melbourne.

Tremendous crowds that have marked the showing of "Damaged Goods" at the Melbourne have compelled the management to keep this marvelous film play un-

on Saturday night when it will go to Butte, Montana, for a week's engagement.

The film ran a full week at the Apollo, and will now have the reputation of two solid weeks' run in this city.

**Foy's Funny Family Furnish Farce**

**Colonial Shows Mary Pickford In Beautiful 'Madame Butterfly'**

Mary Pickford, as "Madame Butterfly," in the great film by that name, exhibited at the Colonial the remainder of this week. Mary appears as Cho-Cho-San, deserted little wife of the American officer.

To the American officer, the marriage had been but a love affair of the moment to be forgotten with his departure, but to Cho-Cho-San or Madame Butterfly as her American husband called her, it was a real and lasting compact.

Two years pass and the little wife is still waiting for her husband to return as he promised he would, thinking what a wonderful surprise the arrival of their little baby would be to him. When he did arrive, it was with an American wife.

These are the bare facts of the pathetic story of the beautiful classic, "Madame Butterfly," featuring Mary Pickford at the Colonial this week.

**BUSHMAN AND JEFFRIES MIX IN FILM PLAY**

Bushman and Jeffries

James J. Jeffries, former champion of the world, and Francis X. Bushman, star movie actor, are seen in one part of "Pennington's Choice," now running at the Apollo, in a real boxing match. Bushman demonstrates that he is as clever as most of them, with the mitts. "Pennington's Choice" will be followed tomorrow by "The Making," a Thomas Ince production in five parts, featuring Dossie Barriscale.

agement Saturday.

Thousands of men, soldiers, horses, cannon, arms of all kinds, besides battleships, submarines and all other modern means of warfare, appear in the film. Scenes are reproduced showing the havoc that would be caused if a foreign nation should invade this country, and depicting America's inability to withstand any organized invasion.

**MILLIONS USE IT TO STOP A COLD**

'Pape's Cold Compound' ends severe colds or grippe in few hours.

Relief comes instantly. A dose taken every two hours until three doses are taken will end grippe misery and break up a severe cold either in the head, chest, body or limbs. It promptly opens clogged-up nostrils and air passages in the head, stops nasty discharge or nose running, relieves sick headache, dullness, feverishness, sore throat, sneezing, soreness and stiffness.

Don't stay stuffed up! Quit blowing and snuffling! Ease your throbbing head. Nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only 25 cents at any drug store. It acts without assistance, tastes nice, causes no inconvenience. Be sure you get the genuine.
