## FIRST SERBIAN WAR PICTURE

When the French and their allies started to march from Salonika into Serbia and Bulgaria they found none of the transportation facilities that aided both opposing armies on the western front. There were no great auto tractors to pull heavy supply wagons. So they loaded supplies into carts and bought or hired black buffaloes and oxen to haul them.

## LEGAL NOTICES

**LOCAL Improvement District No. 661—Notice is hereby given that in pursuance of Ordinance No. 4823 of the City of Tacoma, a roll has been placed in my hands for the collection of the 4th annual installment of the assessment levied for the present pavement on South 9th Street to the southern boundary of said street to the established grade, with a roadway forty (40) feet in width, and a sidewalk and parking spaces on each side thereof ten (10) feet in width, constructing curbs, gutters and crosswalks of plank, together with the necessary storm water drainage; also in constructing along said street a plank roadway forty (40) feet in width, and laying down on said sidewalk paving, a cement concrete sidewalk five (5) feet in width, and a concrete base on account of fills, a wooden walk may be laid.**

**Provided that that portion to be constructed and maintained by the street railway companies is not included in this improvement.**
