Fighting Billy Murray, the Portuguese-American bear-cat, and Frank Farmer, the Kapowsin logger-boxer, who meet in a four-round match before the Tacoma School of Boxing at Glide rink tonight, concluded their training late yesterday afternoon and rested today. Murray is down to 156 and Farmer is 163.

Both men declare that they were never in better condition in their ring experience, and fans are expecting an exciting and speedy clash when the two boxers start after each other tonight.

The main reason that Sammy Howard is beating it back to Oshkosh tomorrow is the fact that Mrs. Howard has become impatient over his prolonged absence, "She sends me telegrams every day, and if I don't get back there pretty soon I won't have any home left," says

When Howard first came west with Farmer, it was with the intention of staging the Joe Bonds-Frank Farmer bout, doing a little biggame hunting, and then re-Wisconsin. He has been in Tacoma and up and down the coast for a couple of months, and Mrs. H. is getting worried.

Here's Howard's latest. He's going to have a baseball team of Masked Marvels in Oshkosh this summer. He will manage a semi-pro team composed of the best players that he can sign up, and they will wear masks during all games. Leave it to the lad with the diamond teeth to think up freak schemes for getting publicity. And publicity means money in these days of frenzied sports.

Prohibition has scored another victory. Connie Mack has signed an infielder named Dry. It's a cinch to guess what song the opposing bleachers will sing while he's up to bat.

Jim Corcoran, president of the City league, believes that the semi-pros will have an even more successful season this year than last. He's even hopeful that one of the Tacoma clubs will win the Coast championship.

Hans Johnson, A. T. Russell, Walter Holmberg, W. L. Carns, Al Therkildeen, "Hong" Armstrong, Charles L. Palmatay and Ruff Chrisare managers of the eight clubs in the league this years. Every one of them is an active, energetic fellow, and they ought to develop some classy teams.

DRAMA REAL FILM TREAT

Humorous, dramatic, tragic and wholly interesting, "Pudd'n-head Wilson," with Theodore Roberts at the Colonial theater this week, is one of the best productions which has been shown in this city for some time. The photo-dramatic adaption was taken from the original story by America's famous humorist, Mark

When Pudd'nhead Wilson after being called by his homely nickname for years, proves in court that his slave Chambers is not really Chambers and furthermore that he is white and that the man that they knew as Tom was a negro and a murderer he startled the town, convicted the real negro, made a name for himself and united two happy lovers. He did not live in vain after all.

Quick Relief From Constipation

GET DR. EDWARDS' **OLIVE TABLETS**

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel

Dr. Edwards, a practicing physicion for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic con-

stipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No griping is the "keynote" of these little these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth" now and then a bad breath—a dull, tired feeling—sick headache—torpid liver and
