REAL ESTATE

270 ACRES
 Very choice stock, dairy and grain farm, with about 150 acres in cultivation, located on a good road, close to school, railroad, etc., with lots of fruit trees on the place, most all in crop. There are also immediate outcrops that could be had very reasonably. The owner will consider an even exchange for good city property. The price is \$27,000.

160 ACRES

About 90 in cultivation, the very best of bottom soil, well drained, part in meadow and the balance to be in crop this spring. This is well located on a good road, close to school, and fair set of buildings. The barn will hold about 150 tons of hay, plenty of first-class tools and machinery to run the ranch; 16 head of cattle, mostly milking; 4 head of horses. Will consider an exchange for good income property or small farm as part payment.

LEWIS COUNTY FARM

80 acres, about 25 under cultivation, the balance all seeded to pasture, easy cleared, all bottom land, on the Newaukum river, buildings all new, 6-room house, hot and cold water, plastered, on concrete foundation; barn 50x24, heavy constructed, equipped for dairying, up-to-date in every respect; good silo; 2 two-year-old heifers, 1 heavy team, and all kinds of machinery, gas engine, wood saws, stump puller, farming mill, cultivators, wagons, full set of blacksmith tools. Will take some cash to handle this proposition, and a long time on the balance at 4 per cent.

320-ACRE STOCK RANCH IN EASTERN WASHINGTON

Over 200 acres in cultivation and partly in crop this year; good set of buildings, lots of outcrops. This is a good stock proposition, and well located for that purpose. Plenty of running water; about 4 miles from good little town, 7 miles from railroad. Free and clear. Will consider an exchange for Eastern Washington dairy farm or good income property.

320 ACRES—STOCK PROPOSITION

This is good soil, 80 acres in grass, an ideal stock proposition. House 18x28, barn 26x30, sheep shed 10x20; fine spring water. Some one is going to make some money out of this place. Can be bought on any reasonable terms, say \$2000 cash down, balance long time 6 per cent. Will take a good piece of city property as first payment. Log-god-off land has been sold in this vicinity for almost twice the price. This place can be bought for. Come in and get particulars, it may be a long time before you will have an opportunity to make as good an investment in a piece of land as this one.

40-ACRE TRADE

We have 40 acres of the very best of soil with running water the year round, located about two miles from town, creamery, etc.; not a foot of wasteful land on the place; about 12 acres in cultivation; fair house and barn, good family orchard, 2 cows, 1 horse, some tools and implements. This place would make some man an independent home for the old age. If you have a clear piece of city property to the value of \$1000 you can trade out of this man. He will take a mortgage back for the difference.

80-ACRE FARM

The very best of clay loam soil, no rocks or sand, with about 30 acres in crop, balance good pasture; located about three miles, from town, cream, mail and telephone routes; good farm; 19 head of good stock, team, wagon and all necessary tools; fine farm house with a big porch around two sides, almost new and beautifully located, with a view of several hundred fine farms and homes. The owner of this place is an elderly man, who doesn't feel as though he was able to do the farm work, or it was necessary for him to do it. The place is free of incumbrance and the owner wishes to take in exchange something that would make him a home, as there is adjoining wood and real farming district, where the crops, improvements and surroundings show some prosperity, come in and get acquainted, we can show you the goods.

70 ACRES RIVER BOTTOM

40 acres in a high state of cultivation, the balance in pasture; 5-room house, 2 large barns, good orchard, all kinds of outbuildings; about 25 head of A-1 Jersey cows and heifers and a registered sire, 3 fine horses, weight about 1500 pounds each. This is one of the best farms we have on our list. They will consider a small amount of clear city property, some cash and terms long time on the balance.

25 ACRES

Almost all bottom land and in cultivation, good location, fair buildings, stock, tools and implements; close to school and neighbors. Will trade for city property.

20 ACRES NEAR PUYALLUP

About 14 acres in cultivation, new set of buildings; the land is the very best of soil; a nice lot of stock and tools; with the crop most all in. This place is a paying little farm, as there is adjoining wood and real farming district, where the crops, improvements and surroundings show some prosperity, come in and get acquainted, we can show you the goods.
