

"Can't Submarine Us Out of Jobs"

"We've got our periscopes busy and we aren't going to let them submarine us out of our jobs."

Justice of the Peace Graham, thumbs in vest, stood up in Judge Easterday's court Saturday and flung a fatherly challenge at R. G. Hoge, Frank Magill and Charles L. Westcott, who want to be justices of the peace and who are trying to compel County Auditor Morris let them file.

The combatants resembled justices of war rather than of peace.

Justices Graham and Link claim they were elected for four year terms.

The three would-be justices claim they're entitled to only two years and that there should be another election in the fall.

It all arose on account of the legislature's slip-up in the wording of the law of 1912.

Hoge, Westcott and Magill accused the two justices of fighting the case for campaign dope.

"It's as plain as the nose on your face," commented Justice Graham. "Any lawyer who's been vaccinated with the law—and it has taken me can see they haven't any right to run for our jobs."

Restore Steamer Appam

NORFOLK, July 29.—Federal Judge Waddell today ordered the captured British liner Appam restored to its former owners. He held the German government lost all claim to the Appam when the vessel entered American waters.

The court held further that the Prussian-American treaty of 1919, renewed in 1928, does not apply or control in the case so as to guarantee the prize crew asylum in United States waters.

The action of the German prize court in declaring the Appam a prize while the case was in litigation in the United States courts was held to have no effect on the jurisdiction of the courts.

Baby Finds Good Home

The baby who wanted a home has found it.

A week ago a young mother told Cynthia Grey she could not take care of her baby boy, and asked Cynthia to help her find some one who could, and would. Cynthia published a few lines in The Times—a simple statement that a baby wanted a home.

Letters began coming to the paper at once, asking for the baby. They were sent of the mother, for her decision.

Yesterday, exactly one week from the day the story was printed, Mr. Baby, after choosing between several good and eager mothers, was given to one who promised to love and care for him as her own.

Who says babies are out of fashion?

BURGLARS ROB IN DAYLIGHT

Using a pass key to unlock the kitchen door, daylight burglars entered the home of J. C. Todd, 502 Sheridan av., Friday afternoon and stole \$20 in silver.

A collection of old coins, owned by Mrs. Todd, was dumped on the floor, but none of the coins were taken. A large assortment of valuable silverware was left undisturbed.

Through Attorney C. O. Bates, who represented him, Reynolds obtained a continuance of his case to August 9.

Pianos for a Song

The Above Heading Maybe is a Little Exaggerated, but Not Much.

Good Pianos. Pianos Good Enough for Those With Money to Burn and Priced Low Enough for the Most Saving.

There Are Not So Many of Them. Every Piano is Priced Plainly and the Sale Will Start Monday Morning at 8 o'clock. Shrewd Buyers Are the Ones Who Will Profit by This Offering.

Don't Stay Away on Account of Ready Money—A Little Each Month Like Rent Will Suffice.

We have a number of pianos in the very best makes, pianos that have been taken in exchange as part payment on Chickering Grands, Player pianos and on the genuine Autopianos never expect to again be new, being from the wealthiest homes, and one of the great problems of the piano business of today is the disposal of the pianos taken in exchange for the modern player pianos.

We, as the exclusive representatives for the Chickering and the Autopianos, are taking in trade some wonderfully fine pianos.

It is conceded that it is preferable to purchase a good standard make in a used piano rather than the purchase of a new cheap piano.

Remember—every piano is in first class shape and guaranteed by us, besides you have our famous one year's free trial and also our exchange agreement for two years.

This is positively the best piano proposition you have ever heard of and we never expect to again be new, being from the wealthiest homes, and one of the great problems of the piano business of today is the disposal of the pianos taken in exchange for the modern player pianos.
