Steter Noble Lon Chaney

Astrangely vivid story of life on "Frisco's" famed "Barbary Coast" is "Hell Morgan's Girl," the picture attraction coming to the Colonial tomorrow. Lola Morgan, the central figure of the story, is a wonderful character—a woman of primitive emotions and passions, yet with a code of honor all her own. Into her life comes a rich man's son, and this beautiful creature falls in love with him. For a while everything is happy, and then his old associates seek the man out. Lola is aroused to fury. Scenes of the earthquake and fire are found in "Hell Morgan's Girl," which features Dorothy Phillips, a young actress of much talent and beauty.

LEADING PLAYERS
Adrian Courtney and Valerie Marchmont Gladys Brockwell
Robert Carver William Clifford
Richard Carver, Carl Von Schiffer
Arthur Heatherway George Webb
Gladys Brockwell, a beautiful and talented actress, is a double star in her first vehicle for William Fox, "Sins of Her Parent."

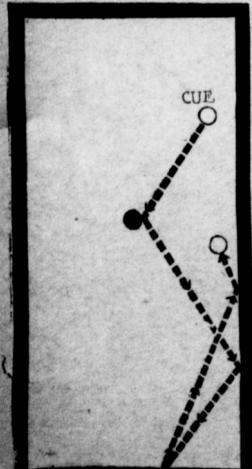

Miss Brockwell plays two parts, that of the mother, and that of the daughter who suffers through her mother's wrongs. The photoplay will open at the Apollo Sunday. The story of "Sins of Her Parent" tells how a girl betrothed to young Southerner of fine family learns that her mother is a worthless dance hall woman. There are many stirring scenes full of punch and emotion.

McCORMACK TEAM IS FAST THIS SEASON

BY BILLY GARN
The McCormack baseball team of the Twilight league, will be faster this season than last. Leonard Shea, manager of the team, has many eligible players waiting for a try-out on the team. The team will hold its first workout at the Stadium some night next week. Manager Shea announces his lineup as follows: Otis Casebeer, catcher; Percy McCormack, pitcher; Leonard Shea, shortstop and pitcher; Earl Brown, 1st base; Harry McCormack, 2nd base; Art Baker, 3rd base; Ruff Davis, 1st; Jack Carns, cf; Wilbur Marshall, rf; Dudley and Dorte, utility. Shea says he is certain that his

squad of baseballers will make the other teams in the league hustle if they expect to grab the flag. Earl Brown, who covers first base, comes from Centralia. He is said to be a streak on the bags and to be one of the best stick handlers in the Hub City. Brown played on the first team at Centralia. Dudley, who is an all around utility man, is looked upon as one of the best semi-pro infielders in Tacoma. He tried out with the Tiger team here three years ago. Doyle, who will play as utility in the outfield, is also said to possess considerable knowledge of the diamond game. The McCormack team is ready for the season to open any time.

Official Guide Reaches Tacoma

The 1917 Reach American League Guide—the official handbook of the great American League—has just made its appearance, thus ushering in one more baseball season; a function which it has fulfilled each spring for 35 consecutive years. This long continuation of publication alone has served to make the Reach Guide the standard annual publication of the baseball world, without considering the merits of the contents of the book, which is edited by Francis C. Richter, the veteran baseball writer and authority. This year the Guide has been rearranged, being grouped into four distinct sections, a method that makes it especially easy to search out matters of reference and record.

Tealey Raymond, the new Tiger ball team manager, says some of the Northwestern league umpires may be surprised when the "deaf and dumb" pitcher gives them a calling down. Some say he is not as much of a mute as he is pictured.

CITY TITLE MATCHES ON AT LINCOLN

Keen interest is shown in the city championship wrestling finals, to be staged at Lincoln Park high school gymnasium tonight. Wrestlers from the two high schools, Cushman, Y. M. C. A., College of Puget Sound, and several outsiders, will compete. There will be 21 events, and all first place winners will receive engraved silver medals. Lincoln will have 12 men in the finals, more than any other school. Because of Lincoln's

good showing in the wrestling game this season, predictions are made that the school will carry away a majority of tonight's "firsts." Among those entered are: Nielson, Brown, Thirtyacre, Satterlee, Williams, Nielson, Riegan, McQueen, Rudd, Cameron, Hicks, Carey, Garner, Padelford, Zvolas, Gaylord, Beardsley, Paul, Young, More, Payne, More and Miller.

BASEBALL WILL GET HIT HARD

Conscription Will Take Away Whole Lot of Minor League Boys.

(United Press Leased Wire.)
NEW YORK, April 7.—The rifle is going to take the place of the bat in the hands of many a young ballplayer in this country within a short time. Baseball will get the hardest blow of its long and stormy career when the war department starts raising its army by selective conscription.

The plan put forth by President Wilson will call every single man between the ages of 19 and 25 to the colors. This selection will nearly depopulate the minor leagues and at the same time will give the United States as husky and athletic a bunch of men as war ever called.

AMATEUR SPORTS

Manager Bruce Grant of the Smelter team, has all arrangements complete for the game at Olympia this afternoon, when his squad meets the Great Falls team. Owing to the fact that it will be impossible for Stab Nelson to make the trip with the locals, All Roy Wilkowsky will go and will play first base instead of Nelson. With the lineup which Grant will place in the field to oppose the Northwest leaguers, it is certain they will make a good showing.

The Elks team has been going through some stiff workouts this week in preparation for the big game Sunday when they meet the Tacoma Tigers. Manager Clint Manley, of the Elks, says his men should give the Tigers a good game and he expects his men to make a good showing against Russ Hall's players. The game will be played at Athletic park at 2 p. m.

Bobbie Evers, of Puyallup, is working in Tacoma now and says he may turn out with some of the city teams. Bob would be a valuable asset to any semi-pro group of baseballers. He plays the outfield and hits in the 400 class. Some manager would do well to get in touch with him. This can be done by calling the sport department of The Tacoma Times.

Frank Cozza, who has played baseball in Tacoma for several seasons, leaves for California the latter part of this month. The trip will take him to the scenes of his childhood and to the home of his sweetheart. It is said that when he returns to his business in Tacoma there may be two in his family.

Although the Pete brothers will not be in the Wilkeson lineup this season, followers of the team assert that the team will not be seriously handicapped by their absence as there are numerous good ball players in that vicinity whom are thought to be able to fill the shoes of the mighty sluggers.

The Woodmen All Stars meet the Central Drug Store Co's nine on the Whitman school grounds Sunday at 10 a. m. Any youngster wishing to get into the team is requested to report to the manager of the drug store team at 9:30 a. m. The teams are composed of players about the ages of 16 years.

The Ideals baseball club will cross bats with the Bismarck nine on the Whitman school grounds Sunday at 2 p. m. Manager Burkepile, of the Ideals, wishes all his team members to report to him at these grounds at 11 a. m. when they will be given a good workout before the game.

The Lincoln A. C. ball team is after "Sky" Nervick, who starred on the W. O. W. lineup last season at second base. They are also on the trail of "Happy" Lick, the W. O. W. pitcher, it is doubtful, however, about the latter. Lick says that he is

EAGLES PROGRAM CLASSY

Two more bouts were added today to the Eagles' boxing program, to be held Thursday night at Tacoma hall.

Joe Hill, clever Tacoma featherweight, will meet Bert Forbes of Vancouver, the boy who won the western Canadian amateur title recently.

Ole Anderson of Ruston, who made such a surprising entry into the fistie game when he trimmed Val Comstock recently, will meet Jack Graham of Ellensburg. There will be seven bouts, one more to be announced. Sammy Good and Harry Casey, with Frank Farmer and Al Ross, have the double main event.

GOOD BALKS
SEATTLE, April 7.—Sammy Good would have received a draw in his bout with George Ingle at the Arena last night, but his manager, Sol Levinson, refused at the last minute to permit a decision to be given in the bout.

Levinson's action was caused by the decision in the battle between Chet McIntyre and Willie Meehan. The two boys were boxing hammer and tongs when they bumped against the ropes, and the ring gave way. They tumbled down on the floor, picked themselves up stiffly, and resumed the fight. But, the referee stopped it, and McIntyre was given the decision, which awards him the Pacific coast heavyweight title. Levinson was so peeved that he demanded a no-decision ruling in the Good-Ingle match before he would let his boy go.

Joe Harrahan and Muggsy Marshall also fell out of the ring, and the bout was called no contest. Earl Conner boxed a draw with Shell McCool.

TREAT FOR LOVERS OF MUSIC COMING

DAMROSCH.

The Ideals ball club will play the Roy team Sunday, April 15, at Roy. Henry Murray will do the mound honors for the Valley leaguers. He will be opposed by either Roy Elkins or "Lep" Elkins, for the Ideals. The Tacomas will make the trip by automobile.

The W. O. W. ball team will practice in the Stadium Sunday at 10 a. m. Any team wishing a practice game at that time call Manager Howard Armstrong at the Cole-Martin Co. or at his home, Proctor 2458.

"Duke" Comber, manager of half a dozen bowling quintets, says he is glad the season is over. He can now don a pair of overalls and go fishing once in a while. All his time was taken up with bowling this winter.

George Shindler, one of the best pitchers in the Valley league last season is making a good showing with the Tacoma Tiger team. Old time ball tossers say he will make good in the big company.

"Biscuits" Besaw, who twirled for the W. O. W. and Carstens ball teams last season, will do mound honors for the Hopkins A. C. this year. When he gets things going his way he is a hard man to beat on the firing line.

BASEBALL HELD UP BY RAIN

Hope to Play Elks' Team Sunday If Weather Will Permit.

Although recruits for the Tacoma Northwestern league ball team have been here for two weeks, they have had only one nice day for workout. A practice game was started yesterday afternoon in a drizzling rain, and abandoned in the sixth inning because the players were continually getting stuck in the mud.

Russ Hall and Tealey Raymond are not making any announcement as to the men they will keep for the team and as a matter of fact they have been unable as yet to give any of the players a fair trial.

Peterson and Alexander pitched for one side, and Sutherland and Hauglund for the other yesterday. Stevens and Flagstead were behind the bat.

A practice game with the Tacoma Elks team will be staged Sunday at 2 o'clock.

Tuneful Musical Show Will Be Newest "Pan" Feature

Some of the girls in "The Smart Shop," featured on the new Pantages bill.

Frothy, tuneful and melodious musical comedy, with pretty girls and nifty togs, will headline the new bill at the Pantages Monday. Rowland and Howard are both experienced comedians, singers and dancers. They are assisted by a bevy of pretty girls who present a fashion show that is said to be a bewildering array of gowns and lingerie.

In the added attraction of the bill, John P. Wade and company in "The Coral Cameo," the Pantages audiences may look forward to one of the best dramatic plays they have seen in many months.

Frances Renault creates something of a sensation with a display of gorgeous gowns and a soprano voice that is heard to advantage in a series of new song hits. Ned Norworth assisted by Chick Moore and Miss Billie Wells presents an amusing skit that bears the title "Polles of 1917."

An act that will be a hurra for the children is offered by Miss Dolly Castle's and Rhoda Royal's baby elephants. The picture feature will be Mrs. Vernon Castle in "Patris."

Phil Bennett, billed as "The Alpine Troubadour," sings and yodels to the accompaniment of a zither, which he plays in the characteristic manner of a Swiss guide. Anderson and Goines, colored comedians, are billed as "The Ghost and a Coon." Both members have excellent voices.

The photoplay program will consist of the third chapter of "The Great Secret."

FAMOUS GIRL SWIMMER IS COMING ON REGENT BILL
The Regent promises another high class bill tomorrow. The six-act show is headed by Miss Dawn June, a young swimmer of international fame, known as "The Model Swimming Maid." She holds the world's record for endurance under water. That she wears her honors well is assumed by her marvelous exhibition of fancy swimming and the wonderful display of underwater tricks at which she is an adept.

Next on the bill is Rosini, vaudeville's famous magician and illusionist. With the assistance of two pretty young women he offers an act replete with surprises. Dogs and goats constitute the act known as Morales' pets, a dis-
