### Babe Hayes

## Back Again

Babe Hayes, one of the dance hall girls who escaped from the city quarantine station a few weeks ago and was later returned to jail, landed in the tolls of the law once more Friday night. She had been released Thursday.

Miss Hayes was standing in a doorway on Pacific avenue when two detectives walked past.

"Stool-pigeons" she hissed at them.

When the officers started to take her to jail, she put up a man-sized battle, and had to be forcibly carried to the city hall.

"I don't see why they keep picking on me," Babe told Judge Graham in police court Saturday.

"I wasn't out of jail long enough to get a job, and here I am again."

She has retained an attorney and will resist the vagrancy charge placed against her.

### Snow Turns Into Slush

Tacoma's first snow of the season was melting away at a great rate Saturday. A warm southwest wind helped dissolve the white carpet, and storm sewers were taxed to their limits.

Commissioner Atkins had large forces of workmen busy Friday night with snow plows opening gutters in the lower section of the city. All walks at street intersections were swept clean during the night.

### FRENCH IN RAID TAKE PRISONERS

(United Press Special Wire.) PARIS, Feb. 2.—A French raid directed against German positions in Mortor wood, resulted in the taking of several enemy prisoners, the war office announced today.

# WHAT DO YOU WANT?

**TO OUR READERS:** Do you know that there is one page set apart in *The Tacoma Times* every day to satisfy the wants of the readers of this paper? Do you take advantage of *The Times* classified page to secure help? To rent your room or house? To sell your auto, motorcycle or bicycle? To dispose of your household goods, or musical instruments? To find articles that you have lost? To sell your poultry or pets? To find a buyer for your livestock or vehicles? To secure a situation? To exchange your town property for a farm, or vice versa? To sell your house, lot or farm? To secure or make financial loans? To announce your auction sales? To locate a house in which you would like to live?

### AN OPPORTUNITY FOR TIMES READERS

If you have not been using *The Times* Classified columns as a medium through which you can make your wants known, you have been overlooking a splendid opportunity.

### HOW TO SELL YOUR FARM

**SUPPOSE YOU WANT TO SELL YOUR FARM.** It has been our experience that a little "ad" on the classified page will put you in touch with prospective farm buyers. The cost to you will be very small, but the results will be just the same as the you would spend a good many times that amount in some other way.

### "ADS" PHONED TO THE OFFICE

But you ask: "How will I get my want 'ad' into the columns of *The Times*?" Many people telephone their want "ads" to one of our corps of "ad" takers, who are on duty every day. Just call Main 12 and ask for the Want "Ad" Department. During the week this department is open to receive "ads" over the phone from 8:00 A. M. to 6 P. M. "Ads" that get into the office before 11:30 A. M. appear in the paper on that day; "ads" received after 11:30 A. M. are started on the day following.

### "ADS" BROUGHT TO THE OFFICE

If it is possible and convenient, we are always pleased to have those who use our classified columns come to the office, and deal personally with the "ad" takers. A suggestion by the want "ad" takers, or writing classified "ads" often improves the pulling power of the copy. So if you have a want "ad" that you desire inserted, and can bring it to the office without inconvenience, it is always well to do so.

### "ADS" MAILED TO THE OFFICE

There is a way, however, of getting your want "ad" into *The Times* classified columns correctly without either using the phone or bringing it to the office in person. SEND IT IN BY MAIL. For the convenience of those who want help, want to rent or sell a house, farm, lot or any miscellaneous article; recover a lost article, or satisfy some other want, we are publishing below a "Times want 'ad' order blank." Cut this blank out of the paper, write in your want, and mail it to "The Manager of the Classified Advertising Department of *The Times*." You can have the replies mailed to you direct, or those interested in your proposition will call you over the phone providing your phone number is contained in your "ad." Many want "ad" users have the replies come to *The Times* office. These replies are mailed by us, to the advertiser, without charge. You will note that the want "ad" rates are given in the table below. These
