The Great Majestic Steel Range leads  
all others. The ordinary range usually  
offered to be as good as the Majestic  
weighs from 3 to 4 as much as the Majestic,  
thereby costing fully 25 per cent less  
to manufacture. The Great Majestic is  
solid strictly on its merits and although it  
means something of an investment the  
purchaser gets full value for his money.  
Morse Hardware Co. are sole agents for  
the Majestic Steel Range for the counties  
of Whatcom, Skagit and San Juan.
