Stomach, Blood and Liver Troubles

Much sickness starts with weak stomach, and consequent poor, impoverished blood. Nervous and pale people look good, rich, red blood. Their stomachs need invigorating for, after all, a man can be no stronger than his stomach. A remedy that makes the stomach strong and the liver active, makes rich red blood and overcomes and drives out disease-producing bacteria and cures a whole multitude of diseases.

Get rid of your Stomach Weakness and Liver Laziness by taking a course of Dr. Pierce's Golden Medical Discovery—the Great Stomach Restorative, Liver Invigorator and Blood Cleanser.

You can't afford to accept any medicine of unknown composition as a substitute for "Golden Medical Discovery," which is a medicine of known composition, having a complete list of ingredients in plain English on its bottle-wrapper, same being attested as correct under oath. Dr. Pierce's Pleasant Pellets regulate and invigorate Stomach, Liver and Bowels.

The revenue launch Guard is now in command of H. N. Wolford, George Lousenrunk having at his own request, been transferred to the engine room, ranking as a machinist in the service. Mr. Wolford is a brother of Guy Wolford, who was engineer of the Guard about ten years ago. He subsequently went to Alaska as chief engineer of the steamer Discovery and lost his life on that vessel when she went down in northern waters with all on board. Mr. Wolford's family are now in Seattle but he expects them here about the first of September to reside.

Senator Blair returned Wednesday evening from Seattle, where he attended the opening of the A. Y. P. Exposition. He says that nearly 90,000 people passed through the gates on the opening day and that the number doubtless would have reached 100,000 but for a heavy rain in the evening. He reports the great government exhibit complete, including the exhibits of Alaska, the Philippines and Hawaii, and says that it is almost well worth a long journey to see. The splendid exhibits of Oregon and California in their fine buildings, are complete and so is the beautiful and interesting exhibit of Japan. Most of the county exhibits are in place and that of this county is said to be one of the most attractive of them all. The various Pay Streak attractions are in full blast and as a whole, the great exposition is so near completion in every detail that no one need fear being disappointed who attends it immediately.
