No Man is Stronger Than His Stomach

A strong man is strong all over. No man can be strong who is suffering from weak stomach with its consequent indigestion, or from some other disease of the stomach and its associated organs, which impairs digestion and nutrition. For when the stomach is weak or diseased there is a loss of the nutrition contained in food, which is the source of all physical strength. When a man "doesn't feel just right," when he doesn't sleep well, has an uncomfortable feeling in the stomach after eating, is languid, nervous, irritable and despondent, he is losing the nutrition needed to make strength.

Such a man should use Dr. Pierce's Golden Medical Discovery. It cures diseases of the stomach and other organs of digestion and nutrition. It enriches the blood, invigorates the liver, strengthens the kidneys, nourishes the nerves, and so GIVES HEALTH AND STRENGTH TO THE WHOLE BODY.

You can't afford to accept a secret nostrum as a substitute for this non-alcoholic medicine of known composition, not even though the urgent dealer may thereby make a little bigger profit. Ingredients printed on wrapper.

City Fathers Skin Court House Bunch

The Gladiators, city officials, and Never Sweats, county officials, played a game of base ball on Saturday afternoon before a large and enthusiastic audience. The game itself was full of wonderful features and was nearly as unique in its way as the decisions of the umpire. The county men say that Mr. Kirby really is not a good umpire—they don't like him, they think the uniforms of the gay young City Fathers must have biased his judgement as they are almost sure that they know a little, very little about base ball, and the score does not show that they do—as the Gladiators carried off the honors—37 to 12. The gross proceeds from the ball game and dance were \$104.50 which after deducting necessary expenses, nets the Friday Harbor Hose Company the neat little sum of \$80.00

An Olympia dispatch to the Post-Intelligencer says that the supreme court has set aside the judgment for \$150 in favor of Joseph West and wife against the San Juan Realty Company and granted judgment for \$630. The action was brought in the superior court here to recover damages for alleged false representations as to the boundaries of land bought by West. It was a peculiar case and no claim was ever made that the men who will have to pay the judgment were personally guilty of the slightest misrepresentation in the matter.

My little boy, four years old, had a severe attack of dysentery. We had two physicians; both of them gave him up. We then gave him Chamberlain's Colic, Cholera and Diarrhoea remedy which cured him and believe that saved his life.—William H. Stroling, Carbon Hill, Ala.
