Andrew Johnson and Donald Erickson say that several bridges on the island are too weak to sustain the weight of their heavy threshing machine and traction engine. They state that they informed the county commissioners of the condition of the bridges and were assured that they would be satisfactorily repaired before the beginning of the threshing season, "but up to date there has been absolutely nothing whatever done to repair and make safe the bridges," and that as a consequence they are obliged to build roads around them for the passage of their machine.

When the Stomach, Heart or Kidney becomes weak, then these organs always suffer. Don't drug the Stomach—nor stimulate the Heart or Kidneys. That is simply a make-shift. Get a prescription from a Druggist everywhere as Dr. Shoop's Restorative. The Restorative is especially for these weak inside organs. Strengthen these nerves, build up with Dr. Shoop's Restorative—solid or liquid—and see how quickly you will come. Sold by Friday Harbor Drug Company.

Fortune Telling

Does not take into consideration the one essential to woman's happiness—womanly health.

The woman who neglects her health is neglecting the very foundation of all good fortune. For without health love loses its lustre and gold is but dross.

Womanly health when lost or impaired may generally be regained by the use of Dr. Pierce's Favorite Prescription.

This Prescription has, for over 40 years, been curing delicate, weak, pain-wracked women, by the hundreds of thousands and this too in the privacy of their homes without their having to submit to indelicate questionings and offensively repugnant examinations.

Sick women are invited to consult Dr. Pierce by letter free. All correspondence held as sacredly confidential. Address, World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y.

DR. PIERCE'S GREAT FAMILY DOCTOR BOOK, The People's Common Sense Medical Adviser, newly revised up-to-date edition—1000 pages, answers in Plain English hosts of delicate questions which every woman, single or married, ought to know about. Sent free, in plain wrapper to any address, on receipt of 21 one-cent stamps to cover mailing only, or in cloth binding for 31 stamps.

If Sick

Don't risk even one single penny!

And I will tell you why I say this. It is because every package of Dr. Shoop's medicine is absolutely free of fat.

No one need risk even one single penny. Just think what this means to the suffering sick!

No risk, no expense, nothing whatever unless health first returns for 30 full days, and without the risk of a single penny, you can use either of my two famous remedies—Dr. Shoop's Restorative or Dr. Shoop's Rheumatic Remedy.

Then why take any chance whatever?

Why purchase any medicine whose maker dare not back it just as I do by this remarkable offer?

And besides, I am no stranger to you. My "No pain pay" plan has made Dr. Shoop's Restorative a household name in every drug store in the land. The doctor here wisely said, "We take no chance whatever here."

For twenty years Dr. Shoop's medicines have become thoroughly standardized all over America. And I have admitted honest and responsible druggists in every city and village everywhere to accept my name and name of my medicines. These selected druggists are placing my medicines with the sick—and the entire risk is mine alone.

But write me first for an order. I have an agent in almost every community—but all druggists are not authorized to grant the 30 day test.

So drop me a line, please—and thus save all disappointments and delays.

Besides, you are free to consult me by letter as you would your home physician. Do so freely and fully—if you desire. My advice and the book below are yours—and without cost. Perhaps a word or two from me will clear up some serious ailment. I have helped thousands upon thousands by my private prescription or personal advice plan.

Besides, the books will open up new and helpful ideas to you. They tell of my 30 years experience at the bedside in homes and in Hospitals. All phases of diseases and relief are told of here. They tell of my "inside nerve" "inside nerve" no larger than a silken thread, but gives to the Heart its impulse. How the Stomach and Kidney each have their inside or power nerve. How these organs surely falter when these controlling nerves are broken to fall. How Dr. Shoop's Restorative goes directly to these falling nerves, restores them and restores the lost and rebuilds, and rebuilds, and rebuilds the lost and power. I can surely help you—if it is within the power of medicine to do so. My best effort is surely worth your single request. So write now, while it is fresh in mind, for tomorrow never comes. Dr. Shoop, Box 12, Racine, Wis. never comes.

Which Book Shall I Send You?

No. 1 On Dyspepsia
 No. 2 On the Heart
 No. 3 On the Kidneys

No. 4 For Women
 No. 5 For Men
 No. 6 On Rheumatism
