SAN JUAN ISLANDER

A Carelessly Treated Cold

is the source of most sickness because drugged pills, syrups and alcoholic mixtures are uncertain and unsafe.

Scott's Emulsion has been relied upon by physicians for forty years as the safe and sensible remedy to suppress the cold and build up the enfeebled forces to avert throat and lung troubles.

Don't tolerate alcoholic substitutes, but insist on the genuine Scott's Emulsion. One bottle usually lasts longer than a cold. Every druggist has it.
