

The American Adding Machine

Here is a new price on a competent adder. On a machine that is rapid, full-size and infallible.

The very latest machine, built by men who know, in one of the largest metal-working shops.

It is an individual adder, to be placed on one's desk, close to one's books and papers. To take the place of the central machine requiring skilled operators.

We will gladly place in any office one American Adder for a ten days' trial.
