The Examiner has for years made a specialty of high class job work, and in this department does all classes of commercial printing, society printing, color work, engraving, embossing, punching, ruling, perforating, loose leaf work, and carries a stock of loose leaf binders and fillers for same. This office sells all classes of cuts, notarial and corporation seals, corporation books, stock certificates, bonds and warrants. Mail orders are promptly answered.

The pocket loose leaf billing and statement system is the latest in use in Colville. Bills and statements and memoranda can be carried in an indexed pocket book, thus saving much time, worry and calculation. It is also used for a petty ledger, or by houses which do a cash business with an occasional credit carried for a few days. The Examiner furnishes these books and fillers, and samples can be sent by mail.

Old papers for sale at the Examiner,

Fred Koppe of Chewelah visited over Sunday with Colville friends.

HEIMBACH & CO.

HAPPY DAYS

"Jim! Come on in here. I want to talk to you. And bring in some wood when you come." And that is the way the fire wood was coaxed into the house every fall. But Jim liked the method and it worked every time. And what comfort they found in that wonderful heater—

Cole's Original Air-Tight Wood Stove

The rooms were always cosy and warm. Every morning found plenty of fire still in the stove, ready to immediately re-kindle the fresh wood. No time lost in making a fresh fire. No ashes to lug out daily—once a month was often enough. Comfort and economy always—Why not, when they had the best wood-burning stove made? The only stove of absolute Air-Tight, Stay-Tight construction, without which fire control is impossible. If you want comfort—lots of it—at little expense, come in and see this remarkable stove.

"Cole's," the Original Air-Tight Heater is sold only by us

The R. E. Lee Co.

THE FULL LINE OF I-P LOOSE-LEAF POST AND RING BINDERS CAN BE SECURED FROM THE COLVILLE EXAMINER

Drain Tile

Everybody knows what cement is—many know what cement drain tile are. Compare the cement drain tile with the ordinary clay tile as to price, quality, adaptability and service, and you will readily see the many advantages of the cement drain tile.

Cement drain tile will allow the drainage to seep through the tile as well as the joint, which is a great advantage in draining land. They are made sufficiently strong to withstand a heavy pressure and will not deteriorate nor crumble with age, which is the case in common clay tile.

Made in sizes of 4-6-8-10-12 inch, all one foot in length. Write us and we will be pleased to have our representative call on you and demonstrate this tile.
