

The Farmers' Financial Adviser

We say frankly to the farmers of this community, "We want your accounts." Not simply because they will swell our deposits. But because the Bank of Colville is an institution where the farmer and his financial problems are really understood and where intelligent co-operation is offered him.

Let this 24-year-old bank become your banker and friend, and together we will establish a financial understanding between us that will result to your lasting profit.

Coughs and Colds Not to Be Neglected

Anyone will realize the seriousness of neglecting a cold if he observes results of such neglect among his acquaintances. How often have you heard, "He caught cold, didn't do anything for it and it turned into"—then some dreaded disease is named.

Ordinary colds yield to prompt treatment at the beginning. That is why every family should be supplied with a reliable cough medicine—one that will heal raw and inflamed surfaces, loosen the phlegm, allay irritation, ease the hoarseness and stop the tickling sensation in the throat that does not permit one to sleep.

Foley's Honey and Tar Compound is invaluable for relief of coughs, colds, croup, whooping cough, tickling in throat, tightness or soreness, grippe or bronchial coughs. It contains no harmful ingredients. It is healing, soothing, efficient and pleasant.
