CHAU- TAUQUA

One week of entertainment, Colville
July 22 to 27 inclusive

Among other talent we note the following:

Col. Miller, one of the "live wires" of the country—a powerful speaker

Senator Elmer A. Burskett of Nebraska with his vital twentieth century message

Royal Hungarian Orchestra—world renowned musicians. With them is Vitepskie known as the "Rhapsody King"

Charlotte Berg, whose silvery voice has moved thousands, and many others, makes this a treat long to be remembered

The Colville Park will be opened to these Chautauquans and free camping grounds granted. Write early for space and information to

H. T. Skeels, one of the largest patrons of the Old Dominion Creamery, received a check of \$145.82 from the creamery for 634 pounds of butterfat delivered during the month of June. Mr. Skeels has a herd of 21 Jersey cows, 10 of them being two-year-old heifers. He is one of the most up-to-date farmers in this section, and has recently built two silos, which he states are among the most profitable investments he has ever made. This record of Mr. Skeels' Jersey herd is another evidence of the success that can be attained at dairying in Stevens county.

Paul Sax, Dewey Sill, Ted Richardson, and Burr Winslow left Tuesday for a few days fishing trip on Sheep creek near Northport. They took along a large skillet for frying fish, and expect to fill it as often as they care to empty it.

The Colville Land Co. announces that it has the agency for the sale of Crystal Falls, with 320 acres of land on the state road 15 miles east of Colville.

Constipation Causes Most Ills.
Accumulated waste in your thirty feet of bowels causes absorption of poisons, tends to produce fevers, upsets digestion. You belch gas, feel stuffy, irritable, almost cranky. It isn't you—it's your condition. Eliminate this poisonous waste by taking one or two Dr. King's New Life Pills tonight. Enjoy a full, free bowel movement in the morning—you feel so grateful. Get an original bottle, containing 36 pills, from your druggist today for 15 c.—Adv.

vice to him would be to avoid saddles on R. F. D. routes in the future, no matter what time a day it may be.

Springdale Reformer: The Marcus Messenger and the Colville Statesman-Index are throwing bouquets at each other whether or not the Statesman-Index has a special correspondent in Washington D. C. The Reformer can't say what arrangements Brother Doty of the Index has for getting the matter he uses from the national capital, but it can say that exactly the same matter is supplied this office every week by the national republican congressional committee and that just as regularly every week it goes into the waste basket.

Millard T. Hartson, chairman of the republican state central committee and standing candidate for U. S. senate, governor, congress, or any first class post office, says the next political campaign will be fought out on the issue of protection.

Does Mr. Hartson think the people can be fooled all the time? There are live questions without resurrecting the old Dingley-McKinley tariff issue. After almost 40 years of continuous power and during all this time such men were preaching protection: protection as the cure-all for our political ills, and yet we are now told that the protection medicine is just what is needed to revive the patient.

If Mr. Hartson and his party can not find a more live issue than that proposed for the 1916 campaign he will find a mighty cool reception when he goes out to meet the people.—C. B. Kegley in Agricultural Grange News, official organ of Washington State Grange.

Baseball Dope

The Colville ball team will leave today on the 12:20 train for Rossland, B. C., where they will play a game on the Rossland diamond at five o'clock this evening. Tomorrow morning they will auto to Trail where they will play the smelter team at 10 o'clock, then returning to Rossland will play the third game in the afternoon. The Colville team is loaded up and expects to win at least one of the Rossland games. Snapp and Battiste of Springdale and Eddie Raftus of Chewelah will be in the lineup. Battiste, the slippery elm, will be on the mound for Colville against Ed Doty, the former Northwest leaguer from Vancouver. A dozen Colville fans will accompany the team on this trip.

Captain Dewey Sill, Ted Richardson, Burr Winslow and Paul Sax left for a fishing and camping trip on Sheep creek on Tuesday and expect to catch the Saturday afternoon train at Velvety and accompany the ball team on the Rossland and Trail trip.

The Colville baseball season will close with Rossland and Trail today and tomorrow, making a schedule of 24 games. Notwithstanding the fact that the attendance has been unusually light during the entire season, the team, under the management of Harold Dexter, has been very successfully financed, particularly compared with previous seasons. For example, in 1910 the Colville team played a schedule of 24 games, and, aside from the gate receipts, cost the fans and business men of the town \$900, while under the present management the indebtedness of the club for the season will not exceed \$50.

The baseball benefit given at the operahouse last Saturday night was a success in every respect. The play entitled "Tillie's Punctured Romance" was highly appreciated by lovers of comedy.

WANTED NOW.

Right now, when hay fever is attacking its victims and when asthma is causing so much distress, there is a demand for Foley's Honey and Tar Compound—the remedy that brought relief to thousands in previous years. Don't continue to suffer. It will help you. Contains no opiates. Carroll's Pharmacy.—Adv.

THE Professor is now ready to set buggy and hack tires and dray tires. No burning feloes. Have a machine to set them in, after dropping tire on wheel. The wheel is then dipped and the feloe is not burned. Come and be convinced. The tire remover is better than hammering the feloe to pieces. Come and let me show you my way to set them. Also my L. S. P. calking machine which calks a shoe without burning the shoe. The machine cost \$75 at the factory. Come and see it in operation and you will say "you're right."

Why this man bought a Remington Junior Typewriter

"I have been investigating several of the recent makes of machines, seeking for one of simple construction for ordinary manuscript and letter writing. I was nearly ready to buy a machine of another make when I just happened to see for the first time the Remington Junior, and found it to be the very thing I wanted."

The man who wrote this is the postmaster of a small Southern town. He is only one of thousands who have recently bought a Remington Junior. But his reasons apply to everybody—they apply to YOU.

The Remington Junior is our latest product and the latest idea in typewriting.

It is strictly a high-grade machine.

It has the Remington Name, the Remington Guarantee, the Remington Quality—everything Remington except weight and bulk.

A "Simplified Remington" describes it exactly.

And its price is \$50.00

Remington Junior Typewriters will be sent "on examination," without obligation to purchase.

Easy payment terms can be arranged if desired.

BADLY RUN DOWN.
"I had become greatly run down and my nerves were in terrible condition. I had frequent headaches and became very weak and was unable to do anything. I bought a bottle of Dr. Miles' Nervine. I soon began to feel better, my nerves were quieted. I recovered my strength, and have since recommended Dr. Miles' Nervine to many of my friends who have used it with satisfactory results."
