

Californian Had Kidney Trouble

Jack Malton, Copperopolis, Calif., says: "I had such a severe case of kidney trouble I thought I would have to sell out my business. I took three bottles of Foley's Kidney Pills which entirely relieved me and I have had no recurrence of kidney trouble since then."

Some days it seems as if you can no longer bear the pain and misery you suffer from kidney and bladder troubles. The ache across your back grows worse with every move you make and every step you take. It just seems to rob you of all strength and energy. Your head aches, you are nervous and worn out, sleep poorly and have no appetite, stomach is upset and bowels irregular. Foley's Kidney Pills lessen the pain, until it is finally gone entirely. They give strength and tone to the kidneys—make them strong, active, their action becomes regular and normal again, and your health grows better each day you take this great healing medicine.
