Subscription—Invariably in advance. Renewals—Your subscription is paid for to the date on the label bearing your name. In your last issue a notice will be inclosed, stating that your subscription has expired. No further issues will be sent unless you send in a renewal.

Remittance—Stamps received in any amount; check, draft, or money order.

Change in Address—When you desire your address changed, give the old address as well as the new.

Advertising—Rate card sent on request.

COURTHOUSE AND COUNTY NEWS

As may be noted in the commissioners' proceedings in this issue, the county has been obliged to take notice of the increased cost of living, by increasing the pay of deputies in several of the county offices. First deputies have heretofore received \$90 per month, and this has now been increased to \$100, commencing July 1, and each of the other deputies is raised \$10 a month.

The total registration for the state of Washington was 198,611, only about half the estimate the government had made of registration eligibles in this state. The increase in population in past years was taken as the government basis of estimate, but this increase has not been as great in the last 7 years as prior to that time.

Corporations doing business in the state of Washington had better hurry up and pay their annual license fee to Secretary of State L. M. Howell. The fee is \$15 a year and is due on or before June 30. If the money is not paid by that date it costs \$2.50 additional. In other words if the money gets here July 1 it goes back for \$2.50 more and in the meantime the corporation is delinquent. The office will not accept personal checks and they have to go through the banks for collection.

The county auditors may issue permits during the checking of the petitions for the referendum of the bone dry bill. When the Reed amendment to the federal law goes into effect on July 1, no permits can be issued to private individuals to import intoxicating liquor for beverage purposes. After July 1, druggists may import liquor for purely medicinal purposes as the Reed federal law amendment specifically permits this class of importation.

So far as can be learned, for the first time in her history Stevens county is having her county warrants made at home. For years it was the custom to pay from \$21.50 to \$27.50 per 1000 for having these warrants made in Spokane. Auditor Earle T. Gates has not only changed the system of issuing warrants but is having them made in Stevens county, saving time in making out the warrants by the new method, and saving considerable money by procuring them at home. Warrants are now written on the photostatic check writer, making them proof against change of figures.

John Farst of Bear Creek was arrested by Sheriff Miller this week on the charge of selling impure meat. He pleaded guilty to the charge and was fined \$25 and costs.

The case of Samuel W. Crooks against Stevens county for damages was tried before a jury last week and resulted in a verdict against the county for \$3,000. Mr. Crooks was represented by Attorney R. A. Thayer. So far as known this is the first verdict ever rendered against this county for damages on account of defective roads. The plaintiff was injured by being thrown from a load of hay while going down a hill on what is known as the Bargrow road.

Henry Bair, president, and W. Seney, vice president of the Berlin Mining Company of Aladdin, motored from Spokane Tuesday and inspected the mine. They report the work has progressed very rapidly, and that the tunnel, which is now in 330 feet, is to be extended the full length of 500 feet. A contract has been let for this work. A limited amount of the stock is placed on the market at 10c per share.

The boiler and other equipment of the steamer Ione was shipped to the Miller transportation Co., of Wenatchee and is to be installed in a new steamer being built for the upper Columbia run. This steamer Ione for years ran on the Pend Oreille river between Newport and Ione.

William F. Penzig, aged 41 years, committed suicide Tuesday morning by shooting himself through the heart, at the ranch owned by himself and brothers, four miles west of Ione. He was unmarried. The body was taken to Chewelah for burial.—Newport Miner.

FISH TACKLE... Kelp a bottle in the house and get prompt relief, not only from all nerve pains but from bruises, strains, sprains, over-exercise and all external aches.

The Juno-Echo Mining Company of Chewelah has been reorganized with a new company of 1,500,000 shares capitalizing at \$150,000. Shares in the old company will be exchanged for shares in the new organization, which are assessable up to 3c per share. This is a copper property, one of the best appearing in Chewelah.

The Marcus box factory started work last week and expects to employ about 25 men this summer.

Mrs. Herbert Snyder, formerly Miss Myrtle Marrs, daughter of Mr. and Mrs. J. E. Marrs of Pleasant Valley, died very suddenly at her home in Seattle where she and her husband went to make their home immediately upon their marriage two months ago. The deceased was a native of Virginia where she was born 20 years ago. Her school days were spent in Stevens county and many friends will learn with deep sorrow of her death. Her father went to Spokane Tuesday to attend the funeral, and where burial was made.

Among those who attended the county Red Cross meeting in Colville last week were: Mr. and Mrs. J. M. Williams, Mesdames Taylor, Fish, Baldwin, Kettle Falls; Mr. and Mrs. W. J. Teeple, Rev. and Mrs. Swain, Miss Emspey, Mesdames Miller, Marks, Briscoe, Meyers Falls; Dr. Foster, P. M. C. Van Dissel, W. A. Crossett, E. D. C. Van Dissel, E. Axberg, E. W. Burrows, Springdale; Mrs. F. B. McKeehan, Marcus; Mrs. Irene Michaels, Orin; Mesdames Burcham, Sterrett, Tower, Northport.

Snyder brothers of Fruitland closed a deal Thursday last whereby they sold their ranch to Rufus Hudspeth, son of Joseph Hudspeth, one of the biggest farmers of the Fruitland valley. The sellers purchased the ranch about six years ago and since that time have done considerable improving, making quite a specialty of raising fine bred horses and other stock. They have prospered on the place and have sold to take up other work. Warren expects to resume mining, while C. G. is yet undecided. Here's hoping however, that they will both remain in the community and that Rufus as a promising young farmer will continue with great success.—Hunters Leader.

SLOANS LINIMENT FOR RHEUMATISM

The pain goes so quickly after you apply Sloan's Liniment for rheumatic pains, neuralgia, toothache, lumbago, sprains, and its so easy to use. It quickly penetrates and soothes without rubbing and is far cleaner and more effective than mussy plasters or ointments.

PIONEERS MEET

The Stevens County Pioneer Association at Chewelah last Saturday afternoon was an unqualified success. The attendance was large, the day ideal and the city park afforded a beautiful spot of shade on the wide spread of green among the pines on the shores of Chewelah creek where a long table swayed under a wealth of refreshments where the guests of the pioneer city gathered by hundreds and regaled themselves of the feast. To tell the story of the pioneer of three score years in the Colville valley would require more than the pen of a Washington Irving, but they were there—people who came here young more than sixty years ago and are still in the shade of life.

There was no set program. At 10 a. m. people began to come, at noon they were all there and an hour was employed in disposing of the fat of the land. At the conclusion of the repast, John B. Slater, president of the association for the past year, and an attendant, it is said, at every annual meeting of the association, announced that John G. Kulzer, the sage of Valley, would perform in the roll of drummer. John C. Argall, city treasurer of Spokane, and W. A. Lewis of the Spokane Historical Society were present to confer with the Stevens county association relative to obtaining the relics from the Hudsons' Bay post at Marcus, consisting of a brass cannon and a pair of balances which were brought to old Fort Colville as early as 1826; also some documents of historic value which have been gathered by the society. The society by unanimous vote authorized the loan of the relics, to remain the property of the Stevens County Pioneer Association, to be held by the Spokane Historical museum in trust and to be returned when called for. The arrangement was made in the utmost good feeling, and both gentlemen expressed to the society their appreciation of the favor.

Mr. Slater, who was announced as the principal speaker of the occasion, dwelt briefly upon the value of the association in the work of snatching from the passing drift of time many disappearing incidents which would make important history. "While we might," said the speaker, "make much of this opportunity to speak at great length on the subject in hand, there is much more of interest to be gained in dividing time with the many pioneers present, and let every one who has a story to tell or an incident to relate touching the early days of the country, give us in his own way his experience."

The speakers who followed were county commissioner P. H. Graham, Senator C. R. McMillan, George H. Bevan, Mrs. John H. Shaver, Frank W. Dickey, J. L. Hethcote and many others.

Among the early pioneers present were Mrs. Margaret Montgomery and Mrs. Mary Thomson, of Chewelah, who came to Chewelah in 1854, and are the first of the old time settlers. The next in point of time is Thomas Haller of Springdale, who came in 1857, and Louis Perras, 1859. The oldest native member is Charles Haines, of Springdale, born in 1841.

The Stevens County Pioneer Association was organized October 1, 1907, with 22 members. On June 30 following, the first annual reunion and picnic was held on the fair grounds in Colville, and each recurring year has brought renewed interest in the annual event and on each occasion many new members have been added to the rolls. To be eligible for membership the applicant must have come to the state before June, 1895, and be a resident of Stevens county.

The officers for last year were, John B. Slater, president; Frank Habelin, vice president; Clara Shaver, secretary; and John G. Kulzer, treasurer. The directors, Mrs. John Ehorn, Mrs. Anna Weatherax, William Boyd, P. H. Graham, Pat Bettridge, G. B. Ide and G. H. Bevan.

At the close of the session the association expressed the appreciation of the hospitality extended by the people of Chewelah by a vote of thanks generally, and especially to Mrs. John Ehorn, who directed the efforts of the committee to success of the event.

The officers of the pioneer association elected to duty for the ensuing year were, Frank Habelin, Colville, president; P. H. Graham, Colville, vice president; Mrs. Clara H. Shaver, Colville, secretary; John G. Kulzer, Valley, treasurer.

The board of directors are: W. T. Ferguson, Kettle Falls; George Thomas, Colville; J. A. Meyers, Meyers Falls; F. W. Dickey, Chewelah; Mrs. John Ehorn, Chewelah; P. Bettridge, Valley, and Herman Zwang, Marcus.

The time and place for the holding of the next meeting of the association will be fixed by the board of directors.

- The following membership roll shows the year of arrival in the state of Washington, and the star indicates those deceased: Louis Perras, Canada, 1859. Hester Perras, Washington, 1855. U. H. 2, to and including warrant No. 845. 101, to and including warrant No. 859. IRVING D. SILL, Treasurer of Stevens County, Washington. First publications, June 23, 1917; last, July 5-7, 1917.

DAISY

Miss Lou Kilgore returned home Friday evening, she having been away teaching school. Mrs. J. E. Scott and children of Davenport are visiting friends here this week. Miss Evangeline Cronowert of Orient, Wash., is visiting with Miss Francis Hall this week.

Frank Setzer returned home last week from Spokane, where he attended the Lewis and Clark high school the past winter.

Mrs. D. A. Setzer and son Roy visited in Kettle Falls a few days the first of the week.

J. M. Williams and wife and Mrs. Jane Clarey of Kettle Falls visited at the home of Albert Jennings here Sunday.

J. H. Abbott, J. J. Charlton, C. P. Childs and O. F. Holen made a whirlwind campaign in the country around Daisy Wednesday in the interest of the Red Cross fund.

The Saints are holding a campmeeting in the grove back of the hotel this week. Rev. Cooper of Moscow, Idaho, is in charge. The meeting will last over Sunday next.

A farewell reception was given Mrs. Mrs. O. F. Parmeter last Wednesday evening. The Daisy Commercial Club and the Ladies' Aid gave them a handsome present. The Parmeters left Saturday for their future home at Orting, Wash. Mr. Cowderay of Seattle arrived here last Thursday evening and has accepted a position as clerk in O. J. Rolfs' store. Will and Fred Charlton and wives and their mother of Echo, Wash., Mrs. Bert Miller, Ralph Charlton and sisters of Ellensburg, H. Hechner and wife of Palouse, and Ed Drinkard of Chewelah were guests at the home of J. J. Charlton and family last week.

FLAG RAISING AT NEXT SUNDAY

MARCUS, June 21.—(Official bulletin.) The Great Northern railway has provided a flag pole, 100 feet in length, which will be set in a concrete base, extending twelve feet in width at the base and five feet at the surface. The pole will extend ninety-two feet above the surface, on which will be raised a flag, twelve and one-half by twenty-five feet in dimensions. This flag pole will be erected on the railway's triangular lot, immediately south of the passenger station, at Marcus.

It is desired that the citizens of Marcus and surrounding communities take the matter in hand and arrange for appropriate flag raising program, which will be held between the hours of 1:30 and 2:30 p. m., Sunday July 1.

It is the intention of the citizens committee, at Marcus, which will be selected at the council meeting, Tuesday evening, the 26th inst., to arrange for a land and solicit the aid of public spirited people of the community and surrounding towns to contribute to making the program a success.

The clergy and the bar practitioners of surrounding towns, who will aid in making this program a success, are requested to communicate with Mayor L. S. Munger of Marcus.

The flag raising program will be carried out in the grove near the passenger station, where a suitable temporary platform for speakers and seats for those who will attend, will be provided.

The hours fixed upon will enable citizens from Chewelah, Addy, Colville, Meyers Falls and other points, to come to Marcus on the Sunday passenger train, arriving at Marcus at 12:55 p. m., returning to their homes on the return train from Marcus at 3:30 p. m. While train service will not be so convenient from Northport, it will be a nice auto drive from that point for those who can in this way attend.

I Have Removed All Fear From the Dental Chair

My scientific and painless methods are known to scores of patients whose teeth troubles have been corrected in the past under my supervision. Treatment with my original Anesthesia formula makes suffering unnecessary. This fact is testified to by many patients who are recommending their friends to come to the PEERLESS DENTISTS, where they will get scientific dentistry painlessly performed.

To Out-of-Town Patients

Every preference possible given to out-of-town patients by our large staff of licensed operators to enable them to receive immediate attention.
