

Ruin In Its Wake

"Five Million Men in France"

If the Americans at Cantigny, at Chateau Thierry, along the Marne and around Soissons, has proved a whirlwind which von Hindenburg could not withstand this year, what will be the German terror when "Forward to Victory" rings out next year to armies that hide the plains.

The rich blood of sacrifice already strengthens the soil of American resolution from which will spring the flower of triumph. The sacrifice abroad must be met by sacrifice at home. No effort we at home can make will approach the price paid willingly by those who do not return from the battle for Democracy. Register the measure of your support by your oversubscription of your quota of the Fourth Liberty Loan.

MOTORS SPEED THEM TO FRONT

Motor trucks by the tens of thousands have made the great war different from any other in adding mobility to the opposing armies. Where preparation for battles in previous years required days, hours are now necessary. Since taxicabs won the first battle of the Marne, gasoline and rubber have been increasing factors.

Some of the American troops in recent battles, perhaps those shown above in a momentary halt in a French village, have traveled thirty hours with hardly a stop for rest.

Your subscription to the Fourth Liberty Loan will add to the certainty that some day troops will not reach a fight too late to win it.

Keep Him From Your Home

IF THE HUN WINS

You won't have to buy Liberty Bonds

The climax of a recent thrilling story of a German who masqueraded as a British officer is the exposure of the spy through his typically Teuton touch in kicking the face of a servant whom he had knocked down. "You might have knocked him down and been British," said the man who turned him over to the firing squad, "but not the rest of it." Myriad undisputable instances of Hun bestiality unrestrained show him to have exhausted all imaginable possibilities of brutishness in his treatment of his war victims. Oversubscribe your quota of Fourth Liberty Loan bonds and help throw the German army back across the Rhine where its own people may have a taste of its "will to power."

WEAK, WEARY WOMEN

Learn the Cause of Daily Woes and End Them. When the back aches and throbs. When housework is torture. When night brings no rest nor sleep. When urinary disorders set in. Women's lot is a weary one. Doan's Kidney Pills are for weak kidneys. Have proved their worth in thousands of cases. Read this woman's testimony. Mrs. Florence Hutchinson, 3214 N. Lacey St., Spokane, Wash., says: "Kidney trouble came on me suddenly. I began to suffer with tired, nervous dizzy spells when everything seemed to whirl around in front of me. My back was so lame and weak, I could hardly bend over to do my housework and it ached all the time. I couldn't find any relief from any thing. All that trouble was brought on by a cold that had settled on my kidneys and weakened them. My druggist suggested I try Doan's Kidney Pills and about one box of Doan's put an end to the trouble. I have felt fine since and I give Doan's credit for the cure." Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Hutchinson had.
