Mr. and Mrs. M. R. Strong have returned from a ten days outing at the Pend Oreille lakes.

W. R. Flint of Lewiston Orchards motored up with his family and his brother Eugene to visit his brother B. F. Flint and Mrs. Flint's sister Mrs. Oreutt and her daughter Della before they return to Waterloo, Iowa. While at Colville they motored some 150 miles about the Colville valley. They were very much interested in what they saw of the timber, mills, and fine grain in the valleys. Also our fruit without water, as at their orchard they paid \$150 an acre for a water right and \$10 per acre a year for upkeep. They visited some of the heavy timber seventeen miles northeast of Marcus on 15-Mile creek, and on the way back visited Kettle falls and saw the salmon jump the falls. W. R. said it was worth going a hundred miles to see. His brother had seen the salmon go over the Kennebec river falls in Maine, 70 feet, but the wild grandeur of the Kettle falls appealed to him.

A surprise shower was tendered Miss Marguerite Thomas at the home of Mr. and Mrs. George W. Seal Tuesday evening. A heaping market basket disclosed a bewildering array of beautiful presents when Miss Thomas was called to commence "shopping." "GO TO IT"

We Vouch for Them

Of all the tires that are made, —why do you suppose we prefer to sell United States Tires?

Because they are made by the biggest rubber company in the world. And they know how to build good tires.

They have choice of materials,—they have immense

facilities,—they employ many exclusive methods.

They can go to greater lengths in testing, improving and perfecting the things that make good tires.

We find it good business to sell United States Tires.

And—you will find it good business to buy them. They are here—a tire for every need.

United States Tires are Good Tires

We know United States Tires are GOOD tires—that's why we sell them.
