THE SEAM IN THE COAT—

We've found that the waist seam is a popular feature of the fall and winter suits and overcoats. We know you'll like the snug, form fitting effect and the "flare" that it gives to the coat.

This two-button double-breasted waist-seam is made for us by Hart Schaffner & Marx. It's guaranteed by them too; money back if you say so.

10% discount on all Hart Schaffner & Marx Suits and Overcoats.

FINAL CLEARANCE OF MEN'S FUR LINED

Overcoats $28.75

These are black Cersey overcoats with large fur collars—the entire coat and sleeves are fur lined with either natural muskrat or dyed muskrat or light calf. The raw fur in these coats would cost you more than we are asking for the entire coat.

Men's black Cersey dogskin lined coats with large fur collar, only **$19.45**
