

# A NEW JANUARY CLEARANCE SALE

This is not the regular January Clearance Sale that most retail stores put on in January. We are offering our seasonable merchandise in every department at the present market price, which is much less than the merchandise cost us. We think it best to take the loss quickly, regardless of price, in order to readjust our business to a normal basis. This can be done only by making quick turnover replace our stock with merchandise at the present market price.

We believe that the low price has been reached on many items such as Cottons, Silks, Woolens, Shoes, Mackinaws, Suits and Shirts. We want to reassure you that we are always going to be **FIRST TO PUT PRICES DOWN**

CLAUDE C. CASEY

## REMEMBER

Our prices in our Grocery Department will always be just as low and many items lower than the lowest in Colville. Compare with others' CASH prices, and you be the judge.
