National Steam Pressure Cooker

"Better Meals with less fuel and less work"

The National Steam Pressure Cooker is a tested and approved utensil for cooking foods of all kinds under steam pressure. Foods are never scorched or burned.

An entire meal of three different courses can be cooked at the same time, without the flavors blending—in 30 minutes.

Can be used for canning fruits and vegetables.

Used three times a day will last a lifetime.

Made in three sizes—25, 17 and 10 quart.

Let us show you this cooker—you will never be without one after once having used it.
